SIEMENS

SITRUST - Quality Policy Statement:

At SITRUST, we uphold Siemens Limited's commitment to quality by:

- Delivering **high-impact, skill-based safety training** that supports operational EHS excellence.
- Proactively **engaging with stakeholders** to understand safe work practices, evolving technological safety transformation developments and compliance needs.
- Fostering a **culture of continuous learning and improvement** among EHS professionals.
- Embedding the **DEGREE framework** into our training methodologies and training Centre operations.
- Ensuring **health, safety, and regulatory compliance** in all aspects of training delivery.

We are committed to empowering individuals with the skills and mindset needed to drive safety excellence across Siemens operations.
