

# CERTIFICATE

This is to certify that

## Siemens Industry, Inc.

3617 Parkway Lane  
Peachtree Corners, GA 30092  
United States of America

with the organizational units/sites as listed in the annex

has implemented and maintains an **Occupational Health and Safety Management System.**

### Scope:

The Occupational Health and Safety activities and supporting processes associated with the design, manufacture, assembly, warehousing, and distribution of electrical power distribution and control equipment and systems, including related testing and support services. Oversight, administration, and site management is provided by the Central Quality & EHS office located at Peachtree Corners, Georgia.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

## ISO 45001 : 2018
