[usa.siemens.com/sinamics-dcm](http://usa.siemens.com/sinamics-dcm)

For the US market only, the standard 12/18-month factory warranty on newly-purchased SINAMICS DCM DC drive products (DC Converters, Base Drives and Control Module) is extended by two years for a total of three years from date of manufacture. Registration / application for warranty extension is not required.

### Products covered include:

- SINAMICS DCM DC Converters
- SINAMICS DCM Base Drives
- SINAMICS DCM Control Modules

### Comments/clarifications

- This extended warranty program applies only to new orders.
- Previous orders do not qualify for warranty extension.
- This extended warranty program is exclusive of any other extended warranty program or initiative already in place.
- Siemens reserves the right to cancel this program at any time and discontinue offering the extended warranty. This cancellation will be applicable to new orders received after the date of the cancellation notification and does not impact existing orders.
- Standard terms and conditions for warranty apply.
