## Simon Krause appointed Head of Global Media Relations and Executive Communications

Simon Krause (38) has been appointed as Head of Global Media Relations and Executive Communications at Siemens AG, effective October 1, 2024. Krause will be responsible for global media relations and coordinating executive communications and will report to Lynette Jackson, Siemens' Chief Communications Officer.

"I very much look forward to working with Simon in his new role. He is a strong professional, with a passion for technology and outstanding creativity, as well as excellent media experience. His role will build on a strong foundation, working across our businesses, to protect and build the reputation of Siemens as a leading technology company around the world," said Lynette Jackson.

Krause joined Siemens in 2021 and is currently Head of Media Relations and Executive Communications for the Digital Industries and Smart Infrastructure businesses. Before joining Siemens, Krause held various positions at Daimler AG and the Confederation of German Employers' Associations.

**Siemens AG** (Berlin and Munich) is a leading technology company focused on industry, infrastructure, mobility, and healthcare. The company's purpose is to create technology to transform the everyday, for everyone. By combining the real and the digital worlds, Siemens empowers customers to accelerate their digital and sustainability transformations, making factories more efficient, cities more livable, and transportation more sustainable. Siemens also owns a majority stake in the publicly listed company, Siemens Healthineers, a leading global medical technology provider shaping the future of healthcare.

In fiscal 2023, which ended on September 30, 2023, the Siemens Group generated revenue of €74.9 billion and net income of €8.5 billion. As of September 30, 2023, the company employed around 305,000 people worldwide on the basis of continuing operations.
