

5.0.0

Totally Integrated Power

### Version 5.0 (Main Version) 02/2016

- Newly integrated products
  - Additional selection of IDMT protection for medium-voltage relay
  - 3VA2 circuit-breaker up to 630 A incl. motor protection and ETU340 (ELISA)
  - 3VA1 circuit-breaker with TMTU up to 250 A
  - 3VA1 circuit-breaker motor protection up to 200 A
  - 3WL12 frame size 2 circuit-breaker 130kA
  - SIRIUS 3RV2 size 2 14A-80A
  - SIRIUS 3RU2 size 2 16A-80A
  - SIRIUS 3RB3 size 2 50A-80A
- SIMARIS curves App
  - Update according above mentioned products
  - Available in all languages of the desktop version
    - ▶ [Download SIMARIS curves App \(Android und iOS\)](#)

### Version 4.1 (Update) 01/2015

- Newly integrated products
  - 3VA2 circuit-breaker up to 630 A
  - 3VA1 circuit-breaker up to 160 A
  - Selective 5SP3 main miniature circuit breaker up to 100 A (up to 63 A in mounting rail design)
  - Only for China: 5SY4/6/7...CC miniature circuit-breaker
  - 7SJ82 medium-voltage relay

### Version 4.0 (Main Version) 03/2014

- Newly integrated products
  - 3VA2 circuit-breaker up to 250 A
  - 5SL4 miniature circuit-breaker
  - Only for India: 5SL6...RC miniature circuit breaker
  - Only for Austria: Combination of residual current protective device plus miniature circuit-breaker: 5SU1
  - Only for China: Combination of residual current protective device plus miniature circuit-breaker: 5SV9
  - Compact feeder, 3RA6 direct starter
  - Reyrolle 7SR11/12 medium-voltage protection devices
