## Ordering process for DIGSI 5 Premium Scientific (P1V55)

Dear Sirs and Madams,

The license DIGSI 5 Premium Scientific (order code: P1V55), which is technically equivalent to DIGSI 5 Premium is only applicable for universities, colleges and research institutes. Each ordered license can be used on up to 10 computers.

As the license DIGSI 5 Premium Scientific is free of charge only for the above mentioned users Siemens AG needs a written proof, that the buyer is one of the authorized user group and that the product is only used for teaching purposes.

Therefore a standard agreement with Siemens AG needs to be signed.

1. Please request our mentioned standard agreement directly from [michael.hartmann@siemens.com](mailto:michael.hartmann@siemens.com)
2. Send us a copy (scan) of the signed document in advance to the above email address.
3. Now you can order the needed number of DIGSI 5 Scientific licenses in our factory in Berlin.
4. Subsequent to that please hand in the originally signed document by sending it through the post to the below mentioned address:

SI EA PLM PROT FIN  
Michael Hartmann  
Humboldtstr. 59  
90459 Nürnberg

5. As soon as the originally signed standard agreement has been signed by the EA PLM management, your purchase order will be released.

Sincerely yours,

Siemens Aktiengesellschaft

gez. Dr. Markus Wache

gez. Michael Hartmann
