	STAR следующего содержания:	
	Your access to SIEMENS SCM STAR	
	Dear Supplier,	
	A Sileners use interested in forming strengthering a supplier business relationship with you is requesting your registration. We invite you to join our strategic procurement collaboration platform SCM STAR (SCM STrategy And Realization) to start the registration process. A single sign-on account has thus been created for you. Please visit the following URL to activate your account:	
	https://entitiement.siemens.com/Password/Anagement/activate/password?id=57/9d180-ef56-4d52-af35-4d03c6649114&key=LTqx/Dq3MDq1ODiy/MTQx/JqyODk=&LOCALE=en_US	
	This activation link is valid until January 12, 2019 2:05:20 PM CET - we kindly ask you to use it as soon as possible though.	
	You will be akked to set your passaund after calling up the above tink. Please store this password securely because you will need it and your e-mail address to log on to SCM STAR. Purthermore, your mobile number needs to be set and adtivated as a second authentication factor to finalize the oreation of your single sign-on account. If you need further guidance on accessing SCM STAR and respective requests, please of ick nee.	
	Please log on soon to ensure that your login works, to accept the Terms of Use and to proceed with the registration.	
	The registration process is a key activity to onboard you as a supplier for Stemans and Includes the acceptance of the Stemans Code of Conduct. Further Supplier Qualification questions might require additional input from your side. Please note that the system will always notify you by email in case there is any task for you, such as completion of a questionnaire or invitation to suchina quote.	
	Since your account is the "super User", you have the following special rights: 1) You can add and administer further users in the "User Management" module of SCM STAR (or even overwrite your own user profile with the data of a colleague) 2) You can update your company details (name, address data, etc.) by opening the Custom Link "SMCM— initiate Update" in the SCM STAR Deathcoard.	
	This global platform can be used throughout Slemens for the Source-to-Contract (S2C) process, which currently comprises Supplier Liflecycle Management, Contract Liflecycle Management and eSourcing events (eRDX, eAuction). Please find more details – including a short introduction video and a Supplier Information Package – on our website.	
	Thank you for your support.	
	If you face any problem with your account, please do not hesitate to contact the SCM STAR User Help Desk: Phone: +49 89 636 20407 (+1 677 775 7227 for USA and CAN only)
