Third-Party Software Information for TALON Configurator 6.3

This product, solution or service ("Product") contains third-party software components listed in this document. These components are Open Source Software licensed under a license approved by the Open Source Initiative (www.opensource.org) or similar licenses as determined by SIEMENS ("OSS") and/or commercial or freeware software components. With respect to the OSS components, the applicable OSS license conditions prevail over any other terms and conditions covering the Product. The OSS portions of this Product are provided royalty-free and can be used at no charge.

If SIEMENS has combined or linked certain components of the Product with/to OSS components licensed under the GNU LGPL version 2 or later as per the definition of the applicable license, and if use of the corresponding object file is not unrestricted ("LGPL Licensed Module", whereas the LGPL Licensed Module and the components that the LGPL Licensed Module is combined with or linked to is the "Combined Product"), the following additional rights apply, if the relevant LGPL license criteria are met: (i) you are entitled to modify the Combined Product for your own use, including but not limited to the right to modify the Combined Product to relink modified versions of the LGPL Licensed Module, and (ii) you may reverse-engineer the Combined Product, but only to debug your modifications. The modification right does not include the right to distribute such modifications and you shall maintain in confidence any information resulting from such reverse-engineering of a Combined Product.

Certain OSS licenses require SIEMENS to make source code available, for example, the GNU General Public License, the GNU Lesser General Public License and the Mozilla Public License. If such licenses are applicable and this Product is not shipped with the required source code, a copy of this source code can be obtained by anyone in receipt of this information during the period required by the applicable OSS licenses by contacting the following address:

Warranty regarding further use of the Open Source Software:

SIEMENS' warranty obligations are set forth in your agreement with SIEMENS. SIEMENS does not provide any warranty or technical support for this Product or any OSS components contained in it if they are modified or used in any manner not specified by SIEMENS. The license conditions listed below may contain disclaimers that apply between you and the respective licensor. For the avoidance of doubt, SIEMENS does not make any warranty commitment on behalf of or binding upon any third party licensor.

APPENDIX B

MINIMUM TERMS AND CONDITIONS OF END LICENSEE LICENSE

1. Licensee grants to End Licensees a non-exclusive license to use the Software Application under the terms stated in this Agreement.
2. End Licensees agree not to alter, reverse engineer or disassemble the Software Application. End Licensees will not copy the Licensed Software except: (i) as necessary to read the Software Application from the media into the memory of a computer solely for the purpose of executing it on a single machine (whether a stand alone computer or a workstation component of a multi-terminal system), or (ii) to create an archival copy. End Licensees agree that any such copies of the Software Application shall contain the same proprietary notices which appear on and in the Software Application.
3. End Licensees may not install, access or otherwise copy or use the Software Application except as expressly authorized by this Agreement. End Licensees may not distribute, rent, loan, lease, sell, sublicense, or otherwise transfer all or any portion of the Software Application, or any rights granted in this Agreement, to any other person without the prior written consent of Licensee. End Licensees may not install or access, or allow the installation or access of, the Software Application over the Internet for the purposes of making the Software Application available to third parties, including, without limitation, use in connection with a Web hosting or similar services. End Licensees may not modify, translate, adapt, arrange, or create derivative works based on the Software Application for any purpose. End Licensee may not utilize any equipment, device, software, or other means designed to circumvent or remove any form of copy protection used by Licensee or its licensors in connection with the Software Application, or use the Software Application together with any, authorization code, serial number, or other copy protection device not supplied by Licensee or its licensors. End Licensees may not use or export the Software Application outside of the country of purchase for any reason. End Licensees acknowledge that the Software Application is the confidential information of Licensee and its suppliers, and End Licensees agree that under no circumstances may End Licensees disclose the Software Application to any third party. Title to and ownership of the intellectual property rights associated with the Software Application and any copies remain with Licensee and its suppliers.
4. End Licensees are hereby notified that Autodesk, Inc., 111 McInnis Parkway, San Rafael, California 94903 ("Autodesk") is a third-party beneficiary to this Agreement to the extent that this Agreement contains provisions which relate to End Licensees' use of the Software Application. Such provisions are made expressly for the benefit of Autodesk and are enforceable by Autodesk in addition to Licensee.
5. In no event shall Licensee or its suppliers be liable in any way for indirect, special or consequential damages of any nature, including without limitation, lost business profits, or liability or injury to third persons, whether foreseeable or not, regardless of whether Licensee or its suppliers have been advised of the possibility of such damages.

2.3 CodeGuru License and Permissions (3)

Siemens is using this CodeGuru component as freeware in accordance with the contributor license agreement below:

As you know, this site is a valuable resource for the developer community. Please note, however, that to avoid legal complications, we need to obtain your permission to use any computer code and any related materials ("resources") that you are providing to us. Accordingly, by submitting any such resource to CodeGuru, you grant to QuinStreet a nonexclusive, worldwide, perpetual license to reproduce, distribute, adapt, perform, display, and sublicense the submitted resource (in both object and

source code formats, as well as on and off the Web), and you acknowledge that you have the authority to grant such rights to QuinStreet.

By submitting the resource, you also grant your article's readers the permission to use any source code in the resource for commercial or noncommercial software. PLEASE NOTE THAT YOU RETAIN OWNERSHIP OF ANY COPYRIGHTS IN ANY RESOURCES SUBMITTED! ALSO, IN MAKING THE RESOURCE AVAILABLE TO OTHER SITE VISITORS FOR DOWNLOADING, QUINSTREET WILL INFORM SUCH OTHER VISITORS THAT, ALTHOUGH THEY MAY DOWNLOAD ANY RESOURCES FOR COMMERCIAL OR NONCOMMERCIAL USES, THEY MAY NOT REPUBLISH THE SOURCE CODE SO THAT IT IS ACCESSIBLE TO THE PUBLIC WITHOUT FIRST OBTAINING THE COPYRIGHT OWNER'S PERMISSION.

Are there any usage restrictions or is the code on your site considered open source? Within the submission guidelines on CodeGuru there is a lot of information about posting as well as a Permissions paragraph. This paragraph tells you what people agreed to when they uploaded code, resources, or an article. To answer this question, submitted code has been provided with the understanding that others may use it in both, personal and corporate, applications. If you use the code, you should honor any copyright notices and other similar information that may be stated within the given code. As the fine print on nearly every site says and as it states on the general site usage notes, use of any code is at your own risk.

2.5 MICROSOFT LIMITED PUBLIC LICENSE (5)

MICROSOFT LIMITED PUBLIC LICENSE

This license governs use of code marked as "sample" or "example" available on this web site without a license agreement, as provided under the section above titled "NOTICE SPECIFIC TO SOFTWARE AVAILABLE ON THIS WEB SITE." If you use such code (the "software"), you accept this license. If you do not accept the license, do not use the software.

1. Definitions

The terms "reproduce," "reproduction," "derivative works," and "distribution" have the same meaning here as under U.S. copyright law.

A "contribution" is the original software, or any additions or changes to the software.

A "contributor" is any person that distributes its contribution under this license.

"Licensed patents" are a contributor's patent claims that read directly on its contribution.

2. Grant of Rights

(A) Copyright Grant - Subject to the terms of this license, including the license conditions and limitations in section 3, each contributor grants you a non-exclusive, worldwide, royalty-free copyright license to reproduce its contribution, prepare derivative works of its contribution, and distribute its contribution or any derivative works that you create.

(B) Patent Grant - Subject to the terms of this license, including the license conditions and limitations in section 3, each contributor grants you a non-exclusive, worldwide, royalty-free license under its licensed patents to make, have made, use, sell, offer for sale, import, and/or otherwise dispose of its contribution in the software or derivative works of the contribution in the software.

3. Conditions and Limitations

(A) No Trademark License- This license does not grant you rights to use any contributors' name, logo, or trademarks.

(B) If you bring a patent claim against any contributor over patents that you claim are infringed by the software, your patent license from such contributor to the software ends automatically.

(C) If you distribute any portion of the software, you must retain all copyright, patent, trademark, and attribution notices that are present in the software.

(D) If you distribute any portion of the software in source code form, you may do so only under this license by including a complete copy of this license with your distribution. If you distribute any portion of the software in compiled or object code form, you may only do so under a license that complies with this license.

(E) The software is licensed "as-is." You bear the risk of using it. The contributors give no express warranties, guarantees or conditions. You may have additional consumer rights under your local laws which this license cannot change. To the extent permitted under your local laws, the contributors exclude the implied warranties of merchantability, fitness for a particular purpose and non-infringement.

(F) Platform Limitation - The licenses granted in sections 2(A) and 2(B) extend only to the software or derivative works that you create that run on a Microsoft Windows operating system product.
