

Employee Displacement

Leverage Siemens' travel program in the event of displacement from your home or damage to your vehicle.

Car Rental: Hertz & Avis offer leisure program rates via their Mobile App or websites. Be sure to use the following Siemens' Discount Codes to avoid excessive retail rental rates:

Hertz: 16762 / **Avis:** A372190

Hotel Program: Siemens has negotiated agreements in place which can be used by all employees. Under emergency circumstances, employees are permitted to book via Concur Mobile App, but must ensure use of personal credit card at time of check-in.
