

# Quality Policy

Siemens Sp. z o.o.

“**We keep our promises**” is the motto of Quality Management at Siemens Sp. z o.o.

High standards of the quality of our products, solutions, deliveries and services are our highest priority.

We implement the above motto through:

- **Providing our Customers with the highest quality solutions.** Our success depends on the success of our Customers. Therefore, by focusing on mutual benefits, we meet the quality requirements of our Customers and care for long-term joint relationships. We also commit ourselves to meeting the requirements of interested parties, as well as legal and other requirements that apply to us.
- **Ensuring and developing the competences of all employees** based on the identified market and customer requirements. Each employee is responsible for the quality of the work performed, and his efforts actively contribute to the achievement of high satisfaction of our Customers. We appreciate the contribution of our employees and encourage them to develop their full potential.
- **Giving high priority to the continuous improvement** of processes in all areas of our activity and the achievement of the set quality goals. We strive for as simple and highly effective processes as possible and to react quickly and appropriately to changing business conditions and risks.
