Siemens provides products and solutions with industrial security functions that support the secure operation of plants, systems, machines and networks.

You are responsible to prevent unauthorized access to Your plants, systems, machines and networks. Such systems, machines and components should only be connected to the enterprise network or the internet if and to the extent such a connection is necessary and only when appropriate security measures (e.g. firewalls and/or network segmentation) are in place. Additionally, Siemens guidance on appropriate security measures should be taken into account.

Siemens' products and solutions undergo continuous development to make them more secure. Siemens strongly recommends that updates are applied as soon as available and that the latest product versions are used. Use of product versions that are no longer supported, and failure to apply latest updates may increase customer's exposure to cyber threats.

2. Siemens, its third party suppliers and the provider of the online marketplace where the Free of Charge App has been offered make no warranties of any kind, including any implied warranty of merchantability or fitness for any particular purpose, nonexistence of defects, or against infringement, with respect to the Free of Charge App provided under and pursuant to this Agreement.

Any and all liability in connection with the use of the Free of Charge App and for defects in title related thereto shall be excluded.

C. Additional Conditions for Commercial Apps

The following conditions apply only for Commercial Apps and for used In-App-Purchase functionalities.

1. Defects as to Quality

Siemens shall be liable for defects as to quality (hereinafter referred to as "Defects") as follows:

- 1.1 Defective Commercial Apps shall be, at Siemens' discretion, repaired, replaced or provided again free of charge, provided that the reason for the defect had already existed at the time when the risk passed.
- 1.2 Claims for repair or replacement are subject to a statute of limitations of 12 months calculated from the start of the statutory statute of limitations; the same shall apply mutatis mutandis in the case of rescission and reduction. This shall not apply in the case of intent, fraudulent concealment of the defect or non-compliance with guaranteed characteristics. The legal provisions regarding suspension of the statute of limitations and recommencement of limitation periods shall be unaffected.
- 1.3 Notifications of a Defect by You shall be given in written form without undue delay.
- 1.4 Siemens shall be given the opportunity to repair or to replace the defective Commercial Apps within a reasonable period of time.
- 1.5 If repair or replacement is unsuccessfully You are entitled to rescind the Agreement or reduce the remuneration; any claims for damages You may have according to section 1.8 shall be unaffected.
- 1.6 There shall be no claims based on Defect in cases of insignificant deviations from the agreed quality, of only minor impairment of usability, or damage arising after the passing of risk from faulty or negligent handling, excessive strain, unsuitable equipment, or claims based on particular external influences not assumed under the Agreement, or from non-reproducible software errors. Claims based on Defects attributable to improper modifications or repair work carried out by You or third parties and the consequences thereof are likewise excluded.
- 1.7 You shall have no claim for damages based on Defects. This shall not apply to the extent that a Defect has been fraudulently concealed, the guaranteed characteristics are not complied with, in the case of life, bodily injury or damage to health, and/or intentionally or grossly negligent breach of Agreement on the part of Siemens. The above provisions do not imply a change in the burden of proof to the detriment of You.
- 1.8 Any other or additional claims of You exceeding the claims provided for this section C.1, based on a Defect are excluded.

2. Industrial Property Rights and Copyrights; Defects in Title

2.1 Unless otherwise agreed, Siemens shall provide the Commercial Apps free from conflicting third parties' industrial property rights and copyrights (hereinafter referred to as "IPR") with respect to the country of the place of delivery only. If a third party asserts a justified claim against You based on an infringement of an IPR by the Commercial App made by Siemens and used in conformity with the Agreement, Siemens shall be liable to You within the time period stipulated in section C.1.2 as follows:

- (i) Siemens shall choose whether to acquire, at its own expense, the right to use the IPR with respect to the Commercial App concerned or whether to modify the Commercial App such that it no longer infringes the IPR or replace it. If this would be impossible for Siemens under reasonable conditions, You may rescind the Agreement or reduce the remuneration pursuant to the applicable statutory provisions;
- (ii) The above obligations of Siemens shall apply only if You (i) immediately notify Siemens of any such claim asserted by the third party in written form, (ii) do not concede the existence of an infringement and (iii) leave any protective measures and settlement negotiations to Siemens' discretion. If You stop using the Commercial App in order to reduce the damage or for other good reason, You shall be obliged to point out to the third party that no acknowledgement of the alleged infringement may be inferred from the fact that the use has been discontinued.
- (iii) Siemens' liability to pay damages is governed by section C.3 of the Agreement;

2.2 Claims of You shall be excluded if You are responsible for the infringement of an IPR.

2.3 Claims of You are also excluded if the infringement of the IPR is caused by specifications made by You, by a type of use not foreseeable by Siemens or by the Commercial App being modified by You or being used together with products not provided by Siemens.

2.4 Any other claims of You against Siemens or its agents or any such claims exceeding the claims provided for in this section C.2, based on a defect in title, are excluded.

3. General Liability

3.1 Unless otherwise provided for in the Agreement, You have no claim for damages based on whatever legal reason, including infringement of duties arising in connection with the Agreement or tort.
