# Ready for the next step of your career?

## Join our 2-year #NextStep Program!

**Siemens Bulgaria**

Still wondering if sales are your true calling in life? Or is it the engineering? And why not marketing? Stop guessing and apply for our two-year **#NextStep internship program** to see how the land lies in a real business environment!

### What will you DO within the #NextStep program:

- Get acquainted with the various Siemens businesses within 6-month rotation periods;
- Gain a real experience with the latest cutting-edge technologies of the company;
- Have dedicated mentors who will support and train you;
- Have access to a variety of courses and trainings according to a pre-selected plan;
- Receive remuneration for the work done;
- And, last but not least, have a chance to get a job offer at Siemens after or even during the program.

### What you will NOT DO within the #NextStep program:

- Fetch coffee to your managers as you've seen in the movies (*"Cafe au Lait, with 2 drops of Cashew milk and three teaspoons of organic brown sugar … With 2 drops of milk, I said !"*);
- Spend your day on social networks until you're told to shred some documents;
- Establish close emotional connection with the copy machine after spending long hours together;
- Get bored.

**Already intrigued?** Here's what you should bring to the table for a successful application:

- Recently graduated or a student in engineering, after completion of at least 1st year of study;
- Good command of English;
- Proactive, open-minded, ready to develop and try new things.

**How to apply?** It's easy – just scan the **QR code** above and make the #NextStep of your career!
