Portable monitor

Monitoring devices for surge arresters

Order number	LCM 500
Monitoring device	Portable live condition check system for on-site measurements
Number of surge current impulses	X
Amperemeter for total leakage current [μ A]	X
Amperemeter for resistive leakage current [μ A] based on 3rd harmonic with supplementary compensation acc. to IEC 60099-5 method B2	X
Surge impulse peak value [A] and pulse width [μ s]	X
Surge impulse energy [kJ]	X
Log file with time stamps [date, time]	X
Power supply	Battery / mains
Remote indication	Wireless
