Data Privacy Notice

Last Update [2018.09.21]

Protecting the security and privacy of your personal data is important to Siemens Switzerland Ltd (“**Siemens**”). Therefore Siemens operates Siveillance Vantage (“**App**”) in compliance with applicable laws on data protection and data security.

Categories of personal data processed and purpose of the processing

When visiting and using the App, Siemens processes the following personal data about you:

Information that is automatically sent to us by your web browser or device, such as your IP-address or other device identifier, device type, browser type (if applicable), referring site, sites accessed during your visit, the date and time of each visitor request.

We process your personal data for the following purposes:

- To offer the app’s services and functions and to administer your use of the App.

App permissions

The use of certain functions of the app may require you to provide certain App permissions. App permissions allow the App to access information stored on your device.

The App may ask you to grant the following permissions:

- Permission to access your device’s camera
- Permission to access your photo library or photo gallery
- Permission to access localization data

The permissions are required for the following purposes:

- Permission to access your photo Camera: Via this this permission, the app would be able open your camera app, native to the OS. This would allow you to take a photo from your mobile device's camera that would be used as an attachment to send to the command and control center's management station as part of a feedback that you would be manually reporting.
- Permission to access your photo library: Via this this permission, the app would be able access your photo library based on your request. This would allow you to attach a photo from your mobile device's library and send it to the command and control center's management station as part of a feedback that you would be manually reporting.
- Permission to access localization data: Via this permission, the app collects information on your current location. This information is processed and used for your command and control center's management system knowing your location.

You may manage the use of App permissions in the section “settings” of your operating system. Please note that the use of certain functions of the App may not or no longer be possible if you do not grant or deactivate the respective App permission.

Links

This Privacy Notice applies only to this App, and not to websites or applications offered and operated by third parties. We may provide links to other websites or applications (such as Google Maps or YouTube) which may be of interest to you. Any link to an external website or application is marked as such. Siemens is not responsible for the privacy practices or the content of external websites or applications.

Transfer and disclosure of personal data

For the purposes mentioned above Siemens may transfer or disclose your personal data to:

SIEMENS

- Courts, law enforcement authorities, regulators or attorneys if necessary to comply with the law or for the establishment, exercise or defense of legal claims.
- Service providers (so-called data processors), such as hosting or IT maintenance service providers, which only act upon instructions of Siemens and are contractually bound to act in compliance with applicable data protection law.

Retention periods

Unless indicated otherwise at the time of the collection of your personal data (e.g. within a form completed by you), we erase your personal data if the retention of that personal data is no longer necessary (i) for the purposes for which they were collected or otherwise processed, or (ii) to comply with legal obligations .

Your rights

The data protection law applicable to Siemens when processing your personal data may entitle you to specific rights in relation to your personal data. You can find out more about those rights by contacting dataprotection@siemens.com.

Data Privacy Contact

The Siemens Data Privacy Organization provides support with any data privacy related questions, comments, concerns or complaints or in case you wish to exercise any of your data privacy related rights. The Siemens Data Privacy Organization may be contacted at: dataprotection@siemens.com.

The Siemens Data Privacy Organization will always use best efforts to address and settle any requests or complaints you bring to its attention. Besides contacting the Siemens Data Privacy Organization, you always have the right to approach the competent data protection authority with your request or complaint.

Do Not Track

At this time our Internet sites do not recognize or respond to “Do Not Track” browser signals.

Children

This Application is not directed to children under the age of thirteen. We will not knowingly collect personal data via this Application from children under the age of thirteen without insisting that they seek prior parental consent if required by applicable law. We will only use or disclose personal data about a child to the extent permitted by law, to seek parental consent, pursuant to local law and regulations or to protect a child.

Security

To protect your personal data against accidental or unlawful destruction, loss, use, or alteration and against unauthorized disclosure or access, Siemens uses reasonable physical, technical and organizational security measures. Unfortunately, there is no complete assurance of security in transit or storage to any information that you transmit, no complete assurance that information will not be accessed, disclosed, altered, or destroyed by a breach of any of our physical, technical, or organizational measures.

California Privacy Rights

California’s “Shine The Light” law permits those of our customers who are California residents to annually request a list of their personal information (if any) that we disclosed to third parties for direct marketing purposes in the preceding calendar year, and the names and addresses of those third parties. At this time, we currently do not share any personal information with third parties for their direct marketing purposes.

We may update this Privacy Notice from time to time. The data of the latest update is indicated at the top of this Privacy Notice.
