Committed to quality traffic solutions and service excellence

Introduction

Manufacturing have, for some time, been running down the use of small top caps because the tooling is old and has become un-usuable.

Scope

End of life for small top caps.

Procedure

This bulletin is a notification that the Small Top Cap parts are no longer in manufacture and therefore cannot be supplied by Siemens Traffic Solutions.

The Small Top Cap part numbers which are now obsolete are:

- 667/1/10735/000 Standard Pole Top Cap Assembly (GREY)
- 667/1/10735/001 Standard Pole Top Cap Assembly (BLACK)
