Clarification of AGD ELV Nearside Part Numbers

**Scope**

To specify the correct part numbers associated with all types of AGD Nearside units.

## Procedure

See below for the list of part numbers for the AGD nearside units (both standard and ELV) along with a description of each.

### AGD940:

Puffin new style 'two part solution' standard optics

Standard Order Codes: *AGD940-600-000*

**New ELV Order Codes: *AGD940-630-000***

Puffin new style 'two part solution' NFOV optics

Standard Order Codes: *AGD940-601-000*

**New ELV Order Codes: *AGD940-631-000***

### AGD941:

Pedestrian Demand Unit, new style, vandal resist button (moving)

Standard Order Codes: *AGD941-600-000*

**New ELV Order Codes: *AGD941-630-000***

Pedestrian Demand Unit, new style, vandal resist button (moving) - dual legend Welsh/English

Standard Order Codes: *AGD941-602-000*

**New ELV Order Codes: *AGD941-632-000***

Pedestrian Demand Unit, new style, vandal resist button (moving) - dual legend English/Welsh

Standard Order Codes: *AGD941-603-000*

**New ELV Order Codes: *AGD941-633-000***

### AGD942:

Toucan new style 'two part solution' standard optics

Standard Order Codes: *AGD942-600-000*

**New ELV Order Codes: *AGD942-630-000***

Toucan new style 'two part solution' NFOV optics

Standard Order Codes: *AGD942-601-000*

**New ELV Order Codes: *AGD942-631-000***

### AGD946:

Combined Puffin unit, new style, standard optics, vandal resist button (moving)

Standard Order Codes: *AGD946-600-000*

**New ELV Order Codes: *AGD946-630-000***

Combined Puffin unit, new style, NFOV optics, vandal resist button (moving)

Standard Order Codes: *AGD946-602-000*

**New ELV Order Codes: *AGD946-632-000***

### AGD947:

Combined Toucan unit, new style, standard optics, vandal resist button (moving)

Standard Order Codes: *AGD947-600-000*

**New ELV Order Codes: *AGD947-630-000***

Combined Toucan unit, new style, NFOV optics, vandal resist button (moving)

Standard Order Codes: *AGD947-602-000*

**New ELV Order Codes: *AGD947-632-000***

**It is important to ensure that when ordering AGD equipment for ELV sites that the correct part numbers are used.** If a wrong type (e.g. standard) unit is fitted to an ELV site the controller is likely to shut down due to an over current being detected on the outputs driving the AGD units.

**Note:** For current STC units (marked with the ELV label) the same part number can be used for both ELV and standard sites as they are fully compatible with both.
