

SIEMENS PARTNER FINDER

Find the right partner for your project

The Partner Finder from Siemens Building Products is the place where Siemens Partners and Customers connect.

[siemens.com/partner-finder](https://www.siemens.com/partner-finder)

We list all of our partners worldwide to help customers find the right match.

The filtering options based on partner type, product portfolio and location make it very easy to find the ideal partner to realize your project.

Everyday dozens of partners and customers create connections that result in successful projects all over the world.

Benefits for Siemens Partners
