Invoice Finance

Receivables Finance

Unlock the value of your invoices with tailored cashflow management solutions

[siemens.com/finance](https://www.siemens.com/finance)

Instant access
to working capital

Up to 90% of your
eligible sales ledger

Simple and easy
to use

Turn outstanding invoices into working capital

While you wait for customers to pay your invoices, it can be a challenge to deal with operational costs, let alone invest in growth and expansion. With tailored Receivables Finance from Siemens, get up to 90% of the money on your unpaid sales ledger – improving your cashflow and working capital.

Grow with less risk

Growing your business often means higher up front costs. Receivables Finance can empower you to expand without compromising your cashflow by giving you the majority of the value of your outstanding invoices when required.

Reduce the costs of extending credit

Giving your customers credit comes with considerable costs – not just the impact on your cashflow – also the administration and chasing of outstanding invoices. Receivables Finance from Siemens is a quick and easy way to realize the value tied up in your invoices.

Get sales revenue sooner with tailored Receivables Finance

How Receivables Finance works

1. Discuss your needs

We'll get to know your business and tailor an invoice finance facility for your requirements

2. Issue invoices as usual

You send invoices for goods or services to your customers

3. Send us your invoice data

Confirm the amount of your outstanding invoices

4. We pay you

Get up to 90% of the value of your invoices when you need it

“Having that money available means it is ready to invest in business development. As we gain more customers we'll access more funds through invoice finance, which we can then invest in acquiring even more customers and so it snowballs. We're really excited about the coming months.”

Paul Smith, Managing Director
Triplex Distribution, UK

A tailored solution

Unlike traditional finance providers, as part of Siemens, we understand the challenges faced by industry first-hand. That's why we tailor every aspect of your Receivables Finance facility, so your access to working capital can grow in line with your sales ledger.

Trusted partner

We combine financial expertise with a uniquely industrial perspective – and a focus on keeping things simple. That means straightforward paperwork, specialized systems and personal support to make things easier at every step of the way.

Siemens Financial Services GmbH
Otto-Hahn-Ring 6
81739 Munich, Germany

Easy to manage

Receivables Finance doesn't just give you the capital you need to do business, it also provides the time and freedom to focus on operations. With innovative technology and a 24/7 client portal, managing your facility is fast and frustration-free.

Getting started

Arranging Receivables Finance from SFS is simple. Get in touch with our Invoice Finance team and we'll guide you through the process and how to arrange an invoice finance facility – whether you're an existing Siemens customer or working with us for the first time.

Industry finance solutions*

We offer a wide range of finance solutions for the manufacturing sector.
