Shareholders whose combined shares amount to at least one-twentieth of the capital stock or a proportionate ownership of at least €500,000 (the latter equivalent to 166,667 shares) may request that items be placed on the agenda and be published.

Persons submitting a request must prove that they have held the shares for at least 90 days before the date the request is received and that they hold the shares until the Managing Board decides on the request, with Section 70 of the German Stock Corporation Act (AktG) being applicable when calculating the time for which shares have been held. The day on which the request is received shall not be counted. Any move from a Sunday, Saturday or public holiday to a preceding or subsequent business day shall not be possible. Sections 187 to 193 of the German Civil Code (BGB) shall not be applied *mutatis mutandis*.

Each new item must be accompanied by supporting information or a formal resolution proposal. The request must be submitted in writing to the Managing Board of Siemens AG and be received by the Company no later than midnight (CET) on Monday, January 10, 2022. Please use the following address to submit your respective requests:

Managing Board of Siemens Aktiengesellschaft

Unless made public at the same time as the Notice of Annual Shareholders' Meeting, requests for additions to the agenda that are required to be published are published together with the shareholder's name and place of residence or registered office without undue delay upon receipt in the German Federal Gazette (Bundesanzeiger). In addition, such requests are published on the Internet at www.siemens.com/AGM and communicated to the shareholders. Formal resolution proposals that accompany such requests for additions to the agenda will be treated as if they had been submitted orally at the Annual Shareholders' Meeting. Any questions and objections to resolutions of the Annual Shareholders' Meeting in such requests for additions to the agenda will not be considered. They must be submitted solely in the manner specified in numbers 3 and 5 below.

The provisions of the German Stock Corporation Act (AktG) underlying these shareholders' rights read as follows:

Section 122 Convening a meeting at the request of a minority (excerpts)

(1) *1A shareholders' meeting shall be called if shareholders whose combined shares amount to at least one-twentieth of the capital stock request such meeting in writing, stating the purpose and the reasons of such meeting; such request shall be addressed to the managing board. 2The articles may provide that the right to request a shareholders' meeting shall require another form and the holding of a lower portion of the capital stock. 3Persons submitting a request must prove that they have held the shares for at least 90 days before the date the request is received and that they hold the shares until the managing board decides on the request. 4Section 121 (7) shall be applied mutatis mutandis.*

as full legal successor, in connection with the winding-up of a co-ownership or as a result of a transfer of assets pursuant to Section 13 of the Insurance Supervision Act or Section 14 of the Building Loan Associations Act.

2. statement as to whether there has been an objection to joint compliance in accordance with Section 96 (2) sentence 3 and
3. minimum number of seats on the Supervisory Board that must be occupied by women and by men so that the minimum quota required by Section 96 (2) sentence 1 is complied with.

Section 124 Publication of requests for additions to the agenda; proposals for resolutions (excerpts)

- (3) ⁴The proposal for the election of members of the Supervisory Board or auditors shall state their names, actual profession and place of residence.

- (1) ¹At least 21 days prior to the date of the shareholders' meeting, the managing board of a company that has not exclusively issued registered shares shall communicate the notice of the shareholders' meeting to:
1. the intermediaries who hold shares in the company in custody,
 2. the shareholders and intermediaries who have requested such communication and
 3. the shareholders' associations that have requested such communication or exercised voting rights at the preceding shareholders' meeting.

²The day of the communication shall not be counted. ³If the agenda must be amended in accordance with Section 122 (2), such amended agenda shall be communicated in the case of stock exchange listed companies. ⁴The communication shall indicate the option of exercising voting rights by a proxy, including by a shareholders' association.

- (2) ¹The managing board of a company that has issued registered shares shall provide the same communication to persons registered in the share register, as well as to the shareholders and intermediaries who have requested such communication and to the shareholders' associations that have requested such communication or exercised voting rights at the preceding shareholders' meeting, by the beginning of the 21st day before the shareholders' meeting.
- (3) Every member of the supervisory board may request that the managing board send the same communication to him/her.
- (4) Upon request, every member of the supervisory board and every shareholder shall be sent the resolutions adopted at the shareholders' meeting.

The provisions of the COVID-19 Measures Act underlying these shareholders' rights read as follows:

Section 1 Stock corporations; public partly limited partnerships; European companies (SEs); mutual insurance companies (excerpts)

- (2) ³Proposals or election nominations by shareholders that must be made available in accordance with Section 126 or Section 127 of the German Stock Corporation Act (AktG) shall be deemed to have been submitted at the meeting if the shareholder submitting the proposal or election nomination is duly authorized to do so and is registered for the shareholders' meeting.

3. Right to obtain information pursuant to Section 131 (1) of the German Stock Corporation Act (AktG), right to ask questions pursuant to Section 1 (2) sentence 1 no. 3 in conjunction with sentence 2 of the COVID-19 Measures Act

According to Section 131 (1) of the German Stock Corporation Act (AktG), each shareholder or shareholder representative at a shareholders' meeting with physical attendance may ask the Managing Board to provide information regarding the Company's affairs, the Company's legal and business relations with affiliated companies, and the position of the Group and any companies included in the Consolidated Financial Statements, to the extent that such information is necessary to permit a proper evaluation of the relevant item on the agenda.

The above-mentioned right to obtain information pursuant to Section 131 of the German Stock Corporation Act (AktG) does not apply in this form to the virtual Annual Shareholders' Meeting to be held on February 10, 2022. Instead, shareholders are granted a right to ask questions using electronic communication under the COVID-19 Measures Act.

With the approval of the Supervisory Board, the Managing Board of Siemens AG has decided that shareholders or their proxy representatives may direct questions to the Managing Board via the Internet Service at www.siemens.com/AGM-SERVICE after registration. Shareholders can obtain online access by entering their Shareholder Control Number and their related Personal Identification Number (PIN) specified in the materials sent to them. Instead of their PIN, shareholders who have registered for electronic delivery of invitations to Shareholders' Meetings with an Access Password selected by them must use this Access Password. The shareholders' proxy representatives use the access data sent to them.

Such questions must be received by the Company via the Company's Internet Service by no later than midnight (CET) on Tuesday, February 8, 2022. It is not possible to ask questions after this time and in particular not during the virtual Annual Shareholders' Meeting.

According to the COVID-19 Measures Act, the Managing Board decides at its duty-bound and free discretion how to answer questions. In particular, it may summarize questions if it believes that to be expedient. Questions in languages other than German will not be considered.

The provisions of the German Stock Corporation Act (AktG) underlying these shareholders' rights read as follows:

Section 131 Shareholders' right to obtain information

(1) ¹Each shareholder shall upon request be provided with information at the shareholders' meeting by the managing board regarding the company's affairs, to the extent that such information is necessary to permit a proper evaluation of the relevant item on the agenda. ²The duty to provide information shall also extend to the company's legal and business relations with any affiliated company. ³If a company makes

use of the provisions on the simplified procedure pursuant to Section 266 (1) sentence 3, Section 276 or Section 288 of the German Commercial Code (HGB), each shareholder may request that the annual financial statements be presented to him/her at the shareholders' meeting on such annual financial statements in the form that would have been used if the provisions on the simplified procedure were not applied. ⁴The duty of the managing board of a parent company (Section 290 (1) and (2) of the German Commercial Code (HGB)) to provide information at the shareholders' meeting at which the consolidated financial statements and management report of these statements are presented also extends to the position of the consolidated group and any companies included in the consolidated financial statements.

(2) ¹The information provided shall comply with the principles of conscientious and accurate accounting. ²The articles or the bylaws pursuant to Section 129 may authorize the chairman of the meeting to reasonably limit a shareholder's time to speak and ask questions and may provide relevant details in this connection.

(3) ¹The managing board may refuse to provide information:

1. to the extent that providing such information is, according to sound business judgment, likely to cause not immaterial damage to the company or an affiliated company;
2. to the extent that such information relates to tax valuations or the amount of certain taxes;
3. with regard to the difference between the value at which items are shown in the annual balance sheet and the higher market value of such items, unless the shareholders' meeting is to approve the annual financial statements;
4. with regard to the methods of accounting and valuation, if disclosure of such methods in the notes is sufficient to provide a true and fair view of the actual condition of the company's assets, liabilities, financial position and profit and loss within the meaning of Section 264 (2) of the German Commercial Code (HGB); the foregoing shall not apply if the shareholders' meeting is to approve the annual financial statements;
5. if the managing board would, by providing such information, become criminally liable;
6. insofar as, in the case of a credit institution, a financial services institution or a securities institution, information need not be given on methods of accounting and valuation applied and setoffs made in the annual financial statements, management report thereof, consolidated financial statements or management report thereof;
7. if the information is continuously available on the website of the company for at least seven days prior to the beginning of and during the shareholders' meeting.

²The provision of information may not be refused for other reasons.

- (4) ¹If information has been provided to a shareholder outside the shareholders' meeting by reason of his/her status as a shareholder, such information shall upon request be provided to any other shareholder at the shareholders' meeting, even if such information is not necessary to permit a proper evaluation of an item on the agenda. ²The managing board may not refuse to provide such information on the grounds of Section 131 (3) sentence 1 no. 1 through 4. ³Sentences 1 and 2 shall not apply if a subsidiary (Section 290 (1) and (2) of the German Commercial Code (HGB)), a joint venture (Section 310 (1) of the German Commercial Code (HGB)) or an associated company (Section 311 (1) of the German Commercial Code (HGB)) provides information to a parent company (Section 290 (1) and (2) of the German Commercial Code (HGB)) for the purpose of including the company in the consolidated financial statements of the parent company, and the information is needed for that purpose.
- (5) A shareholder who has been denied information may request that his/her query and the reason for which the information was denied be recorded in the minutes of the meeting.

The provisions of the COVID-19 Measures Act underlying these shareholders' rights read as follows:

Section 1 Stock corporations; public partly limited partnerships; European companies (SEs); mutual insurance companies (excerpts)

- (2) ¹The managing board may decide to hold the shareholders' meeting as a virtual shareholders' meeting without the physical attendance of the shareholders or their proxy representatives, provided that
1. the entire shareholders' meeting is broadcast by means of sound and vision;
 2. shareholders can exercise their voting rights (by absentee voting or electronic participation) and authorize proxy representatives by means of electronic communication;
 3. shareholders are given a right to ask questions by means of electronic communication;
 4. shareholders who have exercised their voting rights in accordance with Section 1 (2) number 2 are given the opportunity to object to a resolution adopted by the shareholders' meeting by way of derogation from Section 245 number 1 of the German Stock Corporation Act (AktG), with the need to be physically present at the shareholders' meeting being waived.

²The managing board shall decide at its duty-bound and free discretion how to answer questions; it may also stipulate that questions must be submitted by means of electronic communication no later than one day prior to the meeting.

³Proposals or election nominations by shareholders that must be made available in accordance with Section 126 or Section 127 of the German Stock Corporation Act (AktG) shall be deemed to have been submitted at the meeting if the shareholder submitting the proposal or election nomination is duly authorized to do so and is registered for the shareholders' meeting.

The chairman of the meeting is authorized to adopt various measures of order and control at the Shareholders' Meeting. The underlying provisions of the Articles of Association of Siemens AG read as follows:

Section 21 of the Articles of Association of Siemens AG (excerpts)

- (2) The chairman of the meeting shall direct the procedure of the shareholders' meeting. He may, particularly in exercising rules of order, make use of assistants. He shall determine the sequence of speakers and the consideration of the items on the agenda; he may also, to the extent permitted by law, decide on the bundling of factually related resolution proposals into a single voting item, establish, at the beginning of or at any time during the shareholders' meeting, a reasonable limit on the time allowed to speak or ask questions, or on the combined time to speak and ask questions, either for the entire duration of the shareholders' meeting or individual items on the agenda or individual speakers and order the end of the debate to the extent necessary for the proper conduct of the shareholders' meeting.

4. Possibility to submit statements

In a virtual shareholders' meeting as envisaged by the COVID-19 Measures Act, shareholders and their proxy representatives do not have the possibility of expressing their views regarding the subjects on the agenda in person. After they have given notification of attendance, however, they are granted the possibility – above and beyond the requirements specified in the COVID-19 Measures Act – to submit statements relating to the agenda prior to the Annual Shareholders' Meeting so that they are made available in the Internet Service for the Annual Shareholders' Meeting.

Such statements can be sent to the Company in text form or as a video in German by no later than midnight (CET) on Monday, February 7, 2022, via the Internet Service at www.siemens.com/AGM-SERVICE. Shareholders can obtain online access by entering their Shareholder Control Number and their related Personal Identification Number (PIN) specified in the materials sent to them. Instead of their PIN, shareholders who have registered for electronic delivery of invitations to Shareholders' Meetings with an Access Password selected by them must use this Access Password. The shareholders' proxy representatives use the access data sent to them.

The length of a statement must not exceed 10,000 characters or – in the case of a video statement – a length of two minutes. Video statements are permissible only if the shareholder or his/her proxy representative personally appear and speak in them.

There is no legal entitlement to publication of a statement. In particular, the Company reserves the right not to publish statements if they have no discernible connection with the agenda of the Annual Shareholders' Meeting, their content and presentation are not a permissible form of address at the Annual Shareholders' Meeting, or their content is libelous, discriminatory, of a criminal nature, or manifestly false or misleading. The same applies to statements in a language other than German and to statements that exceed a length of 10,000 characters or – in the case of a video statement – a length of two minutes or that have not

been submitted as specified above by the above-mentioned time. The Company likewise reserves the right to publish only one statement per shareholder.

If statements that are properly submitted in accordance with the above provisions are made available prior to the Annual Shareholders' Meeting, they will be published in the Internet Service for the Annual Shareholders' Meeting at www.siemens.com/AGM-SERVICE. The Company also plans to show the video statements it has made available, during the webcast of the Annual Shareholders' Meeting broadcast for shareholders and their proxies. However, the Managing Board may decide at its free discretion to forgo the presentation of the statements if this would prevent the Annual Shareholders' Meeting from being held within a reasonable period of time. The Managing Board may also decide at its free discretion that only some of the video statements it has made available will be shown. The board may in particular take into account the statements' connection to the agenda, the time required to present the videos, the number of video statements submitted and the number of shares owned by the submitting shareholders or represented by the submitting shareholders' proxy representative. Preference may be given to shareholder associations and investment companies. There is no legal entitlement to the presentation of a video statement.

Statements will be posted on the Internet Service or shown during the Annual Shareholders' Meeting with the name and place of residence or registered office of the shareholder or proxy representative who submitted the statement being disclosed. The condition for this is that the respective shareholder or proxy representative agreed to the release of this information.

Any proposals, election nominations, questions and objections to resolutions of the Annual Shareholders' Meeting in the submitted statements will not be considered. They may be submitted solely in the manner specified in numbers 1, 2, 3 and 5.

5. Objection pursuant to Section 245 no. 1 of the German Stock Corporation Act (AktG), Section 1 (2) sentence 1 no. 4 of the COVID-19 Measures Act

Shareholders who are registered as shareholders of the Company in the Company's share register and who have submitted timely notification of attendance at the Annual Shareholders' Meeting and their proxy representatives may, from the beginning to the end of the Annual Shareholders' Meeting, declare objections to resolutions of the Annual Shareholders' Meeting for the record in accordance with Section 245 no. 1 of the German Stock Corporation Act (AktG), Section 1 (2) sentence 1 no. 4 of the COVID-19 Measures Act via the Internet Service at www.siemens.com/AGM-SERVICE. The notary has authorized the Company to accept objections via the Internet Service; the notary will have access to the objections received via the Internet Service. Shareholders can obtain online access by entering their Shareholder Control Number and their related Personal Identification Number (PIN) specified in the materials sent to them. Instead of their PIN, shareholders who have registered for electronic delivery of invitations to Shareholders' Meetings with an Access Password selected by them must use this Access Password. The shareholders' proxy representatives use the access data sent to them.

The provisions of the German Stock Corporation Act (AktG) underlying these shareholders' rights read as follows:

Section 245 Authority to bring an action for avoidance (excerpts)

The following shall have authority to bring an action for avoidance:

1. Any shareholder attending the shareholders' meeting, provided he/she has already acquired the shares prior to the agenda having been published by notice and provided he/she raised an objection concerning the resolution and had it recorded in the minutes.

The provisions of the COVID-19 Measures Act underlying these shareholders' rights read as follows:

Section 1 Stock corporations; public partly limited partnerships; European companies (SEs); mutual insurance companies (excerpts)

- (2) ¹The managing board may decide to hold the shareholders' meeting as a virtual shareholders' meeting without the physical attendance of the shareholders or their proxy representatives, provided that

1. the entire shareholders' meeting is broadcast by means of sound and vision;
2. shareholders can exercise their voting rights (by absentee voting or electronic participation) and authorize proxy representatives by means of electronic communication;
3. shareholders are given a right to ask questions by means of electronic communication;
4. shareholders who have exercised their voting rights in accordance with Section 1 (2) number 2 are given the opportunity to object to a resolution adopted by the shareholders' meeting by way of derogation from Section 245 number 1 of the German Stock Corporation Act (AktG), with the need to be physically present at the shareholders' meeting being waived.

²The managing board shall decide at its duty-bound and free discretion how to answer questions; it may also stipulate that questions must be submitted by means of electronic communication no later than one day prior to the meeting.

³Proposals or election nominations by shareholders that must be made available in accordance with Section 126 or Section 127 of the German Stock Corporation Act (AktG) shall be deemed to have been submitted at the meeting if the shareholder submitting the proposal or election nomination is duly authorized to do so and is registered for the shareholders' meeting.
