

Bolduan appointed to the Siemens Supervisory Board

Olaf Bolduan (61), Chairman of the Works Council at the Dynamowerk Berlin, has been appointed by the Charlottenburg District Court (Berlin) as an employee representative on the Supervisory Board. Bolduan was proposed by the Central Works Council and the Assembly of Delegates of IG Metall to succeed Lothar Adler, who retired at the end of May 2014 and accordingly left the Supervisory Board.

“I would like to welcome Mr. Bolduan on behalf of all the members of the Supervisory Board and look forward to working with him in the future,” said the Chairman of the Siemens Supervisory Board, Gerhard Cromme.

Siemens AG (Berlin and Munich) is a global powerhouse in electronics and electrical engineering, operating in the fields of industry, energy and healthcare as well as providing infrastructure solutions, primarily for cities and metropolitan areas. For over 165 years, Siemens has stood for technological excellence, innovation, quality, reliability and internationality. The company is one of the world's largest providers of environmental technologies. Around 43 percent of its total revenue stems from green products and solutions. In fiscal 2013, which ended on September 30, 2013, revenue from continuing operations totaled €75.9 billion and income from continuing operations €4.2 billion. At the end of September 2013, Siemens had around 362,000 employees worldwide on the basis of continuing operations. Further information is available on the Internet at www.siemens.com.
