# Enter for a Chance to Win Free Industrial Network Health Check
Official Promotion Rules and Prize Disclaimer

In order to qualify for our "Enter to Win" promotion, you must complete all the following steps:

☑ Sign up for our free 45-minute consultation, using our online form.

☑ Participate in the 45 minute consultation, and as a result, receive a risk-free Services quote.

Once these steps are completed, your name will automatically be added to **Qualified** list, where one name per quarter will be selected using our Random Selection tool. Winners will receive a personal phone call to begin prize fulfillment coordination.

Our Network Health Check prize varies based on the size of the company, and your network. See prize details below:
