In some cases, you will not receive a separate notice when they connect. **BY USING THESE FEATURES, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION.** Microsoft does not use the information to identify or contact you.

Computer Information. The following features use Internet protocols, which send to the appropriate systems computer information, such as your Internet protocol address, the type of

operating system, browser and name and version of the software you are using, and the language code of the device where you installed the software. Microsoft uses this information to make the Internet-based services available to you.

- Windows Update Feature. You may connect new hardware to the device where you installed the software. Your device may not have the drivers needed to communicate with that hardware. If so, the update feature of the software can obtain the correct driver from Microsoft and install it on your device. You can switch off this update feature.
- Web Content Features. Features in the software can retrieve related content from Microsoft and provide it to you. To provide the content, these features send to Microsoft the type of operating system, name and version of the software you are using, type of browser and language code of the device where you installed the software. Examples of these features are clip art, templates, online training, online assistance and Appshelp. You may choose not to use these web content features.
- Real Simple Syndication ("RSS") Feed. This software start page contains updated content that is supplied by means of an RSS feed online from Microsoft.

b. Misuse of Internet-based Services. You may not use these services in any way that could harm them or impair anyone else's use of them. You may not use the services to try to gain unauthorized access to any service, data, account or network by any means.

5. TRIAL EDITION SOFTWARE TERMS. The following terms apply to the Trial Edition software even if there are terms to the contrary in other parts of this agreement:

a. TIME-SENSITIVE SOFTWARE. If the version of the software is a Trial Edition, the software will stop running ninety days after you install it. You will receive notice before it stops running. You may not be able to access data used with the software when it stops running.

b. DISCLAIMER OF WARRANTY. THE TRIAL EDITION SOFTWARE IS LICENSED "AS-IS." YOU BEAR THE RISK OF USING IT. MICROSOFT GIVES NO EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS. YOU MAY HAVE ADDITIONAL CONSUMER RIGHTS UNDER YOUR LOCAL LAWS WHICH THIS AGREEMENT CANNOT CHANGE. TO THE EXTENT PERMITTED UNDER YOUR LOCAL LAWS, MICROSOFT EXCLUDES THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

c. LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES. FOR THE TRIAL EDITION SOFTWARE, YOU CAN RECOVER FROM MICROSOFT AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO U.S. \$5.00. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT OR INCIDENTAL DAMAGES.

This limitation applies to

- anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and
- claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.

6. PRODUCT KEYS. The software requires a key to install or access it. You are responsible for the use of keys assigned to you. You should not share the keys with third parties.

7. SQL SERVER BENCHMARK TESTING. You must obtain Microsoft's prior written approval to disclose to a third party the results of any benchmark test of the SQL Server software that accompanies this software.

The foregoing obligations shall not apply to your disclosure of the results of any customized benchmark test of the .NET Component, whereby such disclosure is made under confidentiality in conjunction with a bid request by a prospective customer, such customer’s application(s) are specifically tested and the results are only disclosed to such specific customer. Notwithstanding any other agreement you may have with Microsoft, if you disclose such benchmark test results, Microsoft shall have the right to disclose the results of benchmark tests it conducts of your products that compete with the .NET Component, provided it complies with the same conditions above.

b. **Program Application and Driver Limitations.** You may not use or include any of the Windows Mobile components located in the “\Program Files\Windows Mobile 5.0 SDK R2\” directory, nor any components thereof, in the development of any program application, device or system in which a malfunction would result in a foreseeable risk of personal injury, death or severe physical or environmental damage.

17. DOWNGRADE. You may install and use this version and an earlier version of the software at the same time. This agreement applies to your use of the earlier version. If the earlier version includes different components, any terms for those components in the agreement that comes with the earlier version apply to your use of them. Microsoft is not obligated to supply earlier versions to you.

18. TRANSFER TO A THIRD PARTY. The first user of the software may transfer it, and this agreement, directly to a third party. Before the transfer, that party must agree that this agreement applies to the transfer and use of the software. The first user must uninstall the software before transferring it separately from the device. The first user may not retain any copies.

19. EXPORT RESTRICTIONS. The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. For additional information, see www.microsoft.com/exporting.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. They also may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.

The party hosting the site may use technology to send (or "serve") advertising or other electronic content that appears in or near the opened PDF file. The website operator may also use JavaScript, web beacons (also known as action tags or single-pixel gifs), and other technologies to increase and measure the effectiveness of advertisements and to personalize advertising content. Your communication with Adobe websites is governed by the Adobe Online Privacy Policy found at <http://www.adobe.com/go/privacy> ("Adobe Online Privacy Policy"). Adobe may not have access to or control over features that a third party may use, and the information practices of third party websites are not covered by the Adobe Online Privacy Policy.

7.2 Updating. If your Computer is connected to the Internet, the Software may, without additional notice, check for Updates that are available for automatic download and installation to your Computer and let Adobe know the Software is successfully installed. For Reader, Updates may be automatically downloaded but not installed without additional notice unless you change your preferences to accept automatic installation. Only non-personally identifying information is transmitted to Adobe when this happens, except to the extent that IP Addresses may be considered personally identifiable in some jurisdictions. The use of such information, including your IP Address, as provided by the auto update process is governed by the Adobe Online Privacy Policy. Please consult the Documentation for information about changing default update settings at <http://www.adobe.com/go/settingsmanager> for Flash Player, http://www.adobe.com/go/update_details_url (or successor website) for Reader, and http://www.adobe.com/go/air_update_details for Adobe AIR.

7.3 Local Storage. Flash Player and Adobe AIR may allow third parties to store certain information on your Computer in a local data file known as a local shared object. To find more information on local shared objects and learn how to limit or control the storage of local shared objects on your Computer, please visit http://www.adobe.com/go/flashplayer_security.

7.4 Settings Manager. Flash Player and third-party programs using Adobe AIR may save certain user settings by storing them on your Computer as a local shared object. These settings do not contain personally identifiable information associated with you. They are associated with the

instance of Flash Player or the third-party program using Adobe AIR on your Computer, allowing you to customize runtime features. The Flash Player Settings Manager permits you to modify such settings, including the ability to limit third parties from storing local shared objects or grant third party content the right to access your computer's microphone and camera. You can find more information on how to configure settings in your version of Flash Player, including information on how to disable local shared objects using the Flash Player Settings Manager, at <http://www.adobe.com/go/settingsmanager>. You can remove equivalent settings for third-party programs using Adobe AIR by uninstalling the third-party program.

7.5 Peer Assisted Networking Technology. Adobe Flash Player and Adobe AIR runtimes provide the ability for applications built by third parties to connect to an Adobe Server or Service and permit direct communication between two Adobe Runtime clients or to connect an Adobe Runtime client as part of a peer or distributed network that allows a portion of your resources, such as network bandwidth, to be made directly available to other participants. Prior to joining such peer or distributed network, you will be provided with the opportunity to accept such connectivity. You can manage Peer Assisted Networking settings using the Flash Player Settings Manager. Learn more about using the Settings Manager at <http://www.adobe.com/go/settingsmanager>. You can find more information on Peer Assisted Networking at <http://www.adobe.com/go/RTMFP>.

7.6 Content Protection Technology. If you Use the Adobe Runtimes to access content that has been protected with Adobe Flash Media Rights Management Server or Flash Access software ("Content Protection"), in order to let you play the protected content, the Software may automatically request media usage rights and individualization from a server on the Internet, and may download and install required components of the Software, including any available Content Protection Updates. You can clear the content license information using the Flash Player Settings Manager. Learn more about using the Settings Manager at <http://www.adobe.com/go/settingsmanager>. You can find more information on Content Protection at http://www.adobe.com/go/protected_content.

Examples of such Adobe Online Services might include, but are not limited to: Acrobat.com. In some cases an Adobe Online Service might appear as a feature or extension within the Software even though it is hosted on a website. In some cases, access to an Adobe Online Service might require a separate subscription or other fee in order to access it, and/or your assent to additional terms of use. Adobe Online Services might not be available in all languages or to residents of all countries and Adobe may, at any time and for any reason, modify or discontinue the availability of any Adobe Online Service. Adobe also reserves the right to begin charging a fee for access to or use of an Adobe Online Service that was previously offered at no charge. If your Computer is connected to the Internet, the Software may, without additional notice, update downloadable materials from these Adobe Online Services so as to provide immediate availability of these Adobe Online Services even when you are offline. When the Software connects to the Internet as a function of an Adobe Online Service, your IP Address, user name, and password may be sent to Adobe's servers and stored by Adobe in accordance with the Additional Terms of Use or the "help" menu in the Software. This information may be used by Adobe to send you transactional messages to facilitate the Adobe Online Service. Adobe may display in-product marketing to provide information about the Software and other Adobe products and Services, including but not limited to Adobe Online Services, based on certain Software specific features including but not limited to, the version of the Software, including without limitation, platform version, version of the Software, and language. For further information about in-product marketing, please see the "help" menu in the Software. Whenever the Software makes an Internet connection and communicates with an Adobe website, whether automatically or due to explicit user request, the Adobe Online Privacy Policy shall apply. Additionally, unless you are provided with separate terms of use at that time, the Adobe.com Terms of Use (<http://www.adobe.com/go/terms>) shall apply. Please note that the Adobe Privacy Policy allows tracking of website visits and it addresses in detail the topic of tracking and use of cookies, web beacons, and similar devices.

8.2 EXCEPT AS EXPRESSLY AGREED BY ADOBE OR ITS AFFILIATES OR A THIRD PARTY IN A SEPARATE AGREEMENT, YOUR USE OF ADOBE AND THIRD PARTY OFFERINGS IS AT YOUR OWN RISK UNDER THE WARRANTY AND LIABILITY LIMITATIONS OF SECTIONS 1.1 AND 10.

9. Digital Certificates. You acknowledge and agree to the following:

9.1 Use. Adobe AIR uses digital certificates to help you identify the publisher of Adobe AIR applications created by third parties. Additionally, Adobe AIR uses digital certificates to establish the identity of servers accessed via the Transport Layer Security (TLS) protocol, including access via HTTPS. Adobe Reader uses digital certificates to sign and validate signatures within PDF documents and to validate certified PDF documents. Adobe Runtimes use digital certificates to secure protected content from unauthorized usage. Your Computer may connect to the Internet at the time of validation of a digital certificate in order to download current certificate revocation lists (CRLs) or to update the list of digital certificates. This access may be made both by the Software and by applications based on the Software. Digital certificates are issued by third party certificate authorities, including Adobe Certified Document Services (CDS) vendors listed at http://www.adobe.com/go/partners_cds and Adobe Approved Trust List (AATL) vendors listed at <http://www.adobe.com/go/aatl>, and individualization vendors found at http://www.adobe.com/go/protected_content (collectively “Certification Authorities”), or can be self-signed.

9.2 Terms and Conditions. Purchase, use and reliance upon digital certificates are the responsibility of you and a Certification Authority. Before you rely upon any certified document, digital signature, or Certification Authority services, you should review the applicable terms and conditions under which the relevant Certification Authority provides services, including, for example, any subscriber agreements, relying party agreements, certificate policies, and practice statements. See the links on http://www.adobe.com/go/partners_cds for information about Adobe’s CDS vendors and <http://www.adobe.com/go/aatl> for information about Adobe’s AATL vendors.

9.3 Acknowledgement. You agree that (a) a digital certificate may have been revoked prior to the time of verification, making the digital signature or certificate appear valid when in fact it is not, (b) the security or integrity of a digital certificate may be compromised due to an act or omission by the signer of the document, the applicable Certification Authority, or any other third party, and (c) a certificate may be a self-signed certificate not provided by a Certification Authority. YOU ARE SOLELY RESPONSIBLE FOR DECIDING WHETHER OR NOT TO RELY ON A CERTIFICATE. UNLESS A SEPARATE WRITTEN WARRANTY IS PROVIDED TO YOU BY A CERTIFICATION AUTHORITY, YOU USE DIGITAL CERTIFICATES AT YOUR SOLE RISK.

9.4 Third Party Beneficiaries. You agree that any Certification Authority you rely upon is a third party beneficiary of this agreement and shall have the right to enforce this agreement in its own name as if it were Adobe.

9.5 Indemnity. You agree to hold Adobe and any applicable Certification Authority (except as expressly provided in its terms and conditions) harmless from any and all liabilities, losses, actions, damages, or claims (including all reasonable expenses, costs, and attorneys fees) arising out of or relating to any use of, or reliance on, by you or any third party that receives a document from you with a digital certificate, any service of such authority, including, without limitation (a) reliance on an expired or revoked certificate, (b) improper verification of a certificate, (c) use of a certificate other than as permitted by any applicable terms and conditions, this agreement, or applicable law; (d) failure to exercise reasonable judgment under the circumstances in relying on issuer services or certificates, or (e) failure to perform any of the obligations as required in the terms and conditions related to the services.

10. Limitation of Liability.

IN NO EVENT WILL ADOBE, ITS SUPPLIERS, OR CERTIFICATION AUTHORITIES BE LIABLE TO YOU FOR ANY DAMAGES, CLAIMS OR COSTS WHATSOEVER INCLUDING ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL DAMAGES, OR ANY LOST PROFITS OR LOST SAVINGS, EVEN IF AN ADOBE REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS, DAMAGES, OR CLAIMS. THE FOREGOING LIMITATIONS AND EXCLUSIONS APPLY TO THE EXTENT PERMITTED BY APPLICABLE LAW IN YOUR JURISDICTION. ADOBE'S AGGREGATE LIABILITY AND THAT OF ITS SUPPLIERS AND CERTIFICATION AUTHORITIES UNDER OR IN CONNECTION WITH THIS AGREEMENT SHALL BE LIMITED TO THE AMOUNT PAID FOR THE SOFTWARE, IF ANY. Nothing contained in this agreement limits Adobe's liability to you in the event of death or personal injury resulting from Adobe's negligence or for the tort of deceit (fraud). Adobe is acting on behalf of its suppliers and Certification Authorities for the purpose of disclaiming, excluding, and/or limiting obligations, warranties, and liability as provided in this agreement, but in no other respects and for no other purpose. For further information, please see the jurisdiction specific information at the end of this agreement, if any, or contact Adobe's Customer Support Department.

11. Export Rules.

You agree that the Software will not be shipped, transferred, or exported into any country or used in any manner prohibited by the United States Export Administration Act or any other export laws, restrictions, or regulations (collectively the "Export Laws"). In addition, if the Software is identified as export controlled items under the Export Laws, you represent and warrant that you are not a citizen, or otherwise located within, an embargoed nation (including without limitation Iran, Syria, Sudan, Cuba, and North Korea) and that you are not otherwise prohibited under the Export Laws from receiving the Software. All rights to Use the Software are granted on condition that such rights are forfeited if you fail to comply with the terms of this agreement.

12. Governing Law.

If you are a consumer who uses the Software for only personal non-business purposes, then this agreement will be governed by the laws of the state in which you purchased the license to use the Software. If you are not such a consumer, this agreement will be governed by and construed in accordance with the substantive laws in force in: (a) the State of California, if a license to the Software is obtained when you are in the United States, Canada, or Mexico; or (b) Japan, if a license to the Software is obtained when you are in Japan; or (c) Singapore, if a license to the Software is obtained when you are in a member state of the Association of Southeast Asian Nations, the People's Republic of China (including Hong Kong S.A.R. and Macau S.A.R.), Taiwan, or the Republic of Korea; or (d) England, if a license to the Software is obtained when you are in any jurisdiction not described above. The respective courts of Santa Clara County, California when California law applies, Tokyo District Court in Japan, when Japanese law applies, and the competent courts of London, England, when the law of England

applies, shall each have non-exclusive jurisdiction over all disputes relating to this agreement. When Singapore law applies, any dispute arising out of or in connection with this agreement, including any question regarding its existence, validity, or termination, shall be referred to and finally resolved by arbitration in Singapore in accordance with the Arbitration Rules of the Singapore International Arbitration Centre (“SIAC”) for the time being in force, which rules are deemed to be incorporated by reference in this section. There shall be one arbitrator, selected jointly by the parties. If the arbitrator is not selected within thirty (30) days of the written demand by a party to submit to arbitration, the Chairman of the SIAC shall make the selection. The language of the arbitration shall be English. Notwithstanding any provision in this agreement, Adobe or you may request any judicial, administrative, or other authority to order any provisional or conservatory measure, including injunctive relief, specific performance, or other equitable relief, prior to the institution of legal or arbitration proceedings, or during the proceedings, for the preservation of its rights and interests or to enforce specific terms that are suitable for provisional remedies. The English version of this agreement will be the version used when interpreting or construing this agreement. This agreement will not be governed by the conflict of law rules of any jurisdiction or the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded.

13. General Provisions.

If any part of this agreement is found void and unenforceable, it will not affect the validity of the balance of this agreement, which shall remain valid and enforceable according to its terms. This agreement shall not prejudice the statutory rights of any party dealing as a consumer. This agreement may only be modified by a writing signed by an authorized officer of Adobe. Updates may be licensed to you by Adobe with additional or different terms. This is the entire agreement between Adobe and you relating to the Software and it supersedes any prior representations, discussions, undertakings, communications, or advertising relating to the Software.

14. Notice to U.S. Government End Users.

For U.S. Government End Users, Adobe agrees to comply with all applicable equal opportunity laws including, if appropriate, the provisions of Executive Order 11246, as amended, Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974 (38 USC 4212), and Section 503 of the Rehabilitation Act of 1973, as amended, and the regulations at 41 CFR Parts 60-1 through 60-60, 60-250, and 60-741. The affirmative action clause and regulations contained in the preceding sentence shall be incorporated by reference in this agreement.

15. Compliance with Licenses.

If you are a business or organization, you agree that upon request from Adobe or Adobe’s authorized representative, you will, within thirty (30) days, fully document and certify that use of any and all Software at the time of the request is in conformity with your valid licenses from Adobe.

16. European Union Provisions.

Nothing included in this agreement (including Section 4.5) shall limit any non-waivable right to decompile the Software that you may enjoy under mandatory law. For example, if you are located in the European Union (EU), you may have the right upon certain conditions specified in the applicable law to decompile the Software if it is necessary to do so in order to achieve interoperability of the Software with another software program, and you have first asked Adobe in writing to provide the information necessary to achieve such interoperability and Adobe has not made such information available. In addition, such decompilation may only be done by you or someone else entitled to use a copy of the Software on your behalf. Adobe has the right to impose reasonable conditions before providing such information. Any information supplied by Adobe or obtained by you, as permitted hereunder, may only be used by you for the purpose described herein and may not be disclosed to any third party or used to create any software

which is substantially similar to the expression of the Software or used for any other act which infringes Adobe or its licensors' copyright.

17. Specific Provisions and Exceptions.

17.1 Limitation of Liability for Users Residing in Germany and Austria.

17.1.1 If you obtained the Software in Germany or Austria, and you usually reside in such country, then Section 10 does not apply. Instead, subject to the provisions in Section 17.1.2, Adobe's statutory liability for damages shall be limited as follows: (a) Adobe shall be liable only up to the amount of damages as typically foreseeable at the time of entering into the license agreement in respect of damages caused by a slightly negligent breach of a material contractual obligation and (b) Adobe shall not be liable for damages caused by a slightly negligent breach of a non-material contractual obligation.

17.1.2 The aforesaid limitation of liability shall not apply to any mandatory statutory liability, in particular, to liability under the German Product Liability Act, liability for assuming a specific guarantee or liability for culpably caused personal injuries.

17.1.3 You are required to take all reasonable measures to avoid and reduce damages, in particular to make back-up copies of the Software and your computer data subject to the provisions of this agreement.

If you have any questions regarding this agreement, or if you wish to request any information from Adobe, please use the address and contact information included with this product or via the web at <http://www.adobe.com> to contact the Adobe office serving your jurisdiction.

Content Management System and/or .NET component vendors are not allowed to use the Software (as defined below) without the express permission of Telerik. If you or the company you represent is a Content Management System or .NET component vendor, you may not purchase a license for or use the Software unless you contact Telerik directly and obtain permission.

This License does not grant You a license or any rights to the “2007 Microsoft Office System User Interface” and You must contact Microsoft directly to obtain such a license. Any and all rights in the Software not expressly granted to You as part of the License hereunder are reserved in all respects by Telerik.

This is a license agreement and not an agreement for sale.

1. Software License

1.1 License Grant. Subject to the terms and conditions set forth in this Agreement, Telerik hereby grants to Licensee and Licensee hereby accepts, a limited, non-transferable, perpetual, royalty-free, sublicenseable (solely as set forth in Section 1.4 Sublicensing), non-exclusive license (the “License”) to use the Telerik computer software identified as RadControls for WPF and any updates, upgrades, modifications and error corrections thereto provided to Licensee (the “Programs”) and any accompanying documentation (the “Documentation”, together with the Programs, collectively the “Software”) solely as specified in this Agreement. You are granted either a Trial Developer License pursuant to Section 1.5, a Starter Developer License with Starter Support pursuant to Section 1.6 or a Professional Developer License with Subscription and Priority Support pursuant to Section 1.7. Which version of the License applies (i.e., Trial Developer License, Starter Developer License with Starter Support or Professional Developer License with Subscription and Priority Support) is determined at the time of the License purchase. YOU OR ANYONE IN YOUR ORGANIZATION MAY NOT SIMULTANEOUSLY HOLD A STARTER DEVELOPER LICENSE AND PROFESSIONAL DEVELOPER LICENSE WITH SUBSCRIPTION AND PRIORITY SUPPORT.

1.2 Scope of Use. The Software is licensed, not sold, on a per-seat basis. You may only allow the number of individuals in Your organization to use the Software that corresponds to

the maximum number of License seats You have purchased from Telerik hereunder. This means that at any given time, the number of individuals authorized to use the Software under the License (each a “Licensed Developer”) cannot exceed the number of License seats that You have purchased from Telerik and for which You have paid Telerik all applicable License Fees pursuant to this Agreement. The Software is in “use” on a computer when it is loaded into temporary memory (i.e. RAM) or installed into permanent memory (e.g. hard disk or other storage device) of that computer for development purposes. Your Licensed Developers may install the Software on multiple machines, so long as the Software is not being used simultaneously for development purposes at any given time by more Licensed Developers than You have License seats. You are not limited by the number of License seats with respect to how many individuals within Your organization may access and use the Software for testing and building purposes. You may also embed copies of the Programs in Your own proprietary software applications that You develop, license and distribute to Your own end-user licensees (“Authorized End-Users”), solely in accordance with the requirements set forth in Section 1.4 below.

1.3 Redistribution Rights. Subject to the terms of this Agreement, You are granted a limited license to redistribute the Software solely as part of bundled software solutions for internal company use, hosted applications, commercial solutions deployed at Your Authorized End-Users sites, or shrink-wrapped software offerings in which the Software is integrated (collectively “Integrated Products”). “Integrated Products”, as defined herein, are limited to those software solutions which: (i) are developed by Your Licensed Developer; (ii) add substantial functionality beyond the functionality provided by the incorporated components of the Software; and (iii) are not commercial alternatives for, or competitive in the marketplace with, the Software or any components of the Software.

1.3.1 The foregoing license to redistribute the Software is conditioned upon the following:

1.3.1.1 You must ensure that the Software is not distributed in any form that allows it to be reused by any application other than Your solution. Technical guidelines are provided here: <http://www.telerik.com/purchase/license-agreement/assembly-protection-guidelines.aspx>. Please contact support@telerik.com for any additional questions.

1.3.1.2 You must prohibit Your Authorized End-Users from using the Software independently from Your Integrated Products, or from decompiling, reverse engineering or otherwise seeking to discover the source code of the Software. For use of the Software in design-time (i.e. within a development environment such as Microsoft Visual Studio) Your Authorized End-Users need to purchase Developer Licenses from Telerik.

1.3.1.3 You must include a valid copyright message in Your Integrated Products in a location viewable by Authorized End-Users (e.g. “About” box) that will serve to protect Telerik’s copyright and other intellectual property rights in the Software.

1.4 Sublicensing. Subject to the terms of this Agreement, You are granted a limited, non-transferable right to sublicense the Software’s use, in object code form only, solely to Your Authorized End-Users and solely in and as part of Your Integrated Products. In no event are You allowed to sublicense the Software or its use (a) in any format other than in object form, (b) as a standalone product, or (c) as a part of any product other than Your Integrated Product. Your end-user license agreement must: prohibit distribution of the Software by Your Authorized End Users; limit the liability of Your licensors or suppliers to the maximum extent permitted by applicable law; and prohibit any attempt to disassemble, decompile or “unlock”, decode or otherwise reverse translate or engineer, or attempt in any manner to reconstruct or discover any source code or underlying algorithms of the Software. Provided Your Authorized End-Users are in compliance with their license agreements with You, any sublicenses to use the Software granted by You to Your Authorized End-Users will survive any termination of this Agreement or the License set forth herein between You and Telerik. You are not allowed to, and are expressly prohibited from granting Your Authorized End-Users any right to further sublicense the Software.

1.5 Trial Developer License

1.5.1 License Grant. If You download the free Trial Developer License, then, subject to the terms and conditions set forth in this agreement, Licensor hereby grants to Licensee and

Licensee hereby accepts a license for evaluation purposes only. You are authorized to install, copy, and use the Software for the sole purpose of testing its functionality. You are not allowed to integrate it in end products or use it for any commercial or productive purpose. The term of the Trial Developer License shall be 30 days.

1.5.2 Support. As part of Your Trial Developer License You are entitled to the “Trial” support package as described in greater detail here: <http://www.telerik.com/support/technical-support-options.aspx> subject to the limitations and restrictions described in the following Fair Usage Policy.

1.5.2.1 Support Package Fair Usage Policy. Telerik may limit or terminate Your access to any or all of the support services available under the Trial support package if your use of the support services is determined by Telerik, in its sole and reasonable discretion, to be excessive.

1.5.2.2 In no event will Telerik provide support of any kind to end-users of Your Integrated Products.

1.5.3 Updates. You are not eligible to receive any updates for the Software.

1.5.4 THE TRIAL VERSION OF THE SOFTWARE IS LICENSED ‘AS IS’. YOU BEAR THE RISK OF USING IT. TELERIK GIVES NO EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS. YOU MAY HAVE ADDITIONAL RIGHTS UNDER YOUR LOCAL LAWS WHICH THIS AGREEMENT CANNOT CHANGE. TO THE EXTENT PERMITTED UNDER YOUR LOCAL LAWS, TELERIK EXCLUDES THE IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

1.6 Starter Developer License with Starter Support. If You purchase a Starter Developer License with Starter Support, then, subject to the terms and conditions set forth in this Agreement, Licensor hereby grants to Licensee and Licensee hereby accepts, a personal, limited, non-transferable, perpetual, royalty-free, sublicenseable (solely as set forth in Section 1.4 Sublicensing), non-exclusive license to install, use, include with Integrated Products and redistribute the Software in executable, object code form only. This License is limited to, and You may only purchase, a maximum of three (3) License seats to be used by Your Licensed Developers. The Starter Developer License is personal to each Licensed Developer and may not be switched to other developers within Your organization.

1.6.1 Support. As part of Your Starter Developer License, You are entitled to the “Starter” support package, which entitles you to ten (10) support requests via Telerik’s ticketing system with a 72-hour response time (excluding Saturdays, Sundays and holidays) for one year from the date on which you purchased the Software, as well as access to the community support forums.

1.6.2 In no event will Telerik provide support of any kind to end-users of Your Integrated Products.

1.6.3 Updates. You are eligible to receive all minor updates (i.e., service pack updates and other minor revisions to the Software) for the Software version You purchased. You are not eligible to receive major updates (i.e., major revisions to or new versions of the Software) for the Software version You purchased. Software updates replace and/or supplement (and may disable) the version of the Software that formed the basis for Your eligibility for the update. You may use the resulting updated Software only in accordance with the terms of this License.

1.6.4 Termination. This license shall continue unless terminated in accordance with Section 4 (Term and Termination) or upon Licensee’s purchase of a Professional Developer License with Subscription and Priority Support.

1.7 Professional Developer License with Subscription and Priority Support. If You purchase a Professional Developer License with Subscription and Priority Support, then, subject to the terms and conditions set forth in this Agreement, Licensor hereby grants to Licensee and Licensee hereby accepts, a limited, non-transferable, perpetual, royalty-free, sublicenseable (solely as set forth in Section 1.4 Sublicensing), non-exclusive license to install, use, include

with Integrated Products and redistribute the Software in executable, object code form only. In addition, for a period of one (1) year from the date on which You purchase the License, You will receive minor and major updates for the Software, access to certain source code for the Software, as well as the “Priority” support package, each as described in further detail below.

1.7.1 Priority Support Package. As part of Your Professional Developer License, You are entitled to the “Priority” support package, as described in greater detail here: <http://www.telerik.com/support/technical-support-options.aspx>, for a period of one (1) year from the date on which you purchased the License to the Software and subject to the limitations and restrictions described in the following Fair Usage Policy.

1.7.1.1 Support Package Fair Usage Policy. Telerik may limit or terminate Your access to any or all of the support services available under the “Priority” support package if your use of the support services is determined by Telerik, in its sole and reasonable discretion, to be excessive.

1.7.1.2 In no event will Telerik provide support of any kind to end-users of Your Integrated Products.

1.7.2 Updates. You are eligible to receive all major updates and minor updates for the version of the Software that You license hereunder and source code for the Software for a period of one (1) year from the date on which You purchase the License for the Software. Updates replace and/or supplement (and may disable) the version of the Software that formed the basis for Your eligibility for the update. You may use the resulting updated Software only in accordance with the terms of this License.

1.7.3 Source Code for the Software. The Software’s source code is provided to You so that you can create modifications under the terms of this Agreement.

1.7.3.1 While Telerik does not claim any ownership rights in Your Integrated Products, any modifications You develop to the Software source code will be the exclusive property of Telerik, and You agree to and hereby do assign all right, title and interest in and to such modifications and all rights associated therewith to Telerik.

1.7.3.2 You will be entitled to use modifications of the Software’s source code developed by You under the terms of this Agreement and Telerik hereby grants You a license to use such modifications pursuant to Section 1.7.

1.7.3.3 You acknowledge that the Software’s source code is confidential and contains valuable and proprietary trade secrets of Telerik. Under no circumstances may any portion of the Software’s source code or any modified version of the source code be distributed, disclosed or otherwise made available to any third party.

1.7.3.4 Telerik DOES NOT provide technical support for any source code that has been modified by any party other than Telerik.

1.7.3.5 The Software’s source code is provided “as is”, without warranty of any kind. Refunds are not available for any licenses that include a right to receive source code.

2. License Limitations

2.1 You are not allowed to resell, transfer, rent, lease, or sublicense the Software and Your associated rights except as provided in Section 1.4. Under no circumstances shall You grant further redistribution rights to Authorized End-Users or redistribute any source code of the Software to any third party.

2.2 You may not use the Telerik product names, logos or trademarks to market Your Integrated Product.

2.3 You are not allowed to disassemble, decompile or “unlock”, decode or otherwise reverse translate or engineer, or attempt in any manner to reconstruct or discover any source code or underlying algorithms of Software that is provided to you in object code form only.

2.4 Unless expressly permitted by the laws in Your jurisdiction, You are not allowed to use, copy, modify, or distribute copies of the Software and any accompanying documents except as expressly permitted in this Agreement.

3. Delivery

Telerik shall make available for download to Licensee a master copy of the Software.

4. Term and Termination

This Agreement and the License granted hereunder shall continue until terminated in accordance with this Section. Unless otherwise specified in this Agreement, the License granted hereunder shall last as long as You use the Software in compliance with the terms herein. Unless otherwise prohibited by law, and without prejudice to Telerik's other rights or remedies, Telerik shall have the right to terminate this Agreement and the License granted hereunder immediately if You breach any of the material terms of this Agreement, and You fail to cure such material breach within thirty (30) days of receipt of notice from Telerik. Upon termination of this Agreement, all Licenses granted to You hereunder shall terminate automatically and You shall immediately cease use and distribution of the Software; provided, however, that any sublicenses granted to Your Authorized End-Users in accordance with Section 1.4 shall survive such termination. You must also destroy (i) all copies of the Software not integrated into a live, functioning instance(s) of Your Integrated Product(s) already installed, implemented and deployed for Your Authorized End-User(s), and (ii) any product and company logos provided by Telerik in connection with this Agreement.

5. Product Discontinuance

Telerik reserves the right to discontinue the Software or any component of the Software, whether offered as a standalone product or solely as a component, at any time. However, Telerik is obligated to provide support in accordance with the terms set forth in this Agreement for discontinued Software or components for a period of one (1) year after the date of discontinuance.

6. Intellectual Property

All title and ownership rights in and to the Software (including but not limited to any images, photographs, animations, video, audio, music, or text embedded in the Software), the intellectual property embodied in the Software, and any trademarks or service marks of Telerik that are used in connection with the Software are and shall at all times remain exclusively owned by Telerik and its licensors. All title and intellectual property rights in and to the content that may be accessed through use of the Software is the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties. This Agreement grants You no rights to use such content. Any open source software that may be delivered by Telerik embedded in or in association with Telerik products is provided pursuant to the open source license applicable to the software and subject to the disclaimers and limitations on liability set forth in such license. As required by the Common Public License ("CPL"), if a user wishes to obtain the source code for the components licensed under the CPL a user may access them at <http://wixtoolset.org>.

7. Collection and Use of Data.

Telerik uses tools to deliver certain Software features and extensions, identify trends and bugs, collect activation information, usage statistics and track other data related to your use of the Software as further described in the most current version of Telerik's Privacy Policy (located at: <http://www.telerik.com/company/privacy-policy.aspx>). By Your acceptance of the terms of this

Agreement and/or use of the Software, You authorize the collection, use and disclosure of this data for the purposes provided for in this Agreement and/or the Privacy Policy.

8. Limited Warranty

Except as specified in Section 1.5.4 (Trial License), Telerik warrants solely that the Software will perform substantially in accordance with the accompanying written materials for a period of ninety (90) days after the date on which You purchase the License for the Software. Telerik does not warrant the use of the Software will be uninterrupted or error free at all times and in all circumstances, nor that program errors will be corrected. This limited warranty shall not apply to any error or failure resulting from (i) machine error, (ii) Licensee's failure to follow operating instructions, (iii) negligence or accident, or (iv) modifications to the Software by any person or entity other than Telerik. In the event of a breach of warranty, Licensee's sole and exclusive remedy and Telerik's sole and exclusive obligation, is repair of all or any portion of the Software. If such remedy fails of its essential purpose, Licensee's sole remedy and Telerik's maximum liability shall be a refund of the paid purchase price for the defective Software only.

This limited warranty is only valid if Telerik receives written notice of breach of warranty no later than thirty (30) days after the warranty period expires. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN THIS SECTION 8, TELERIK DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

9. Limitation of Liability

To the maximum extent permitted by applicable law, in no event will Telerik be liable for any indirect, special, incidental, or consequential damages arising out of this Agreement, including, without limitation, damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses, even if advised of the possibility thereof, and regardless of the legal or equitable theory (contract, tort or otherwise) upon which the claim is based. In any case, Telerik's entire liability under any provision of this Agreement shall not exceed in the aggregate the sum of the license fees Licensee paid to Telerik for the Software giving rise to such damages, or in the case of a Trial License, shall not exceed \$5, notwithstanding any failure of essential purpose of any limited remedy. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not be applicable. Telerik is not responsible for any liability arising out of content provided by Licensee or a third party that is accessed through the Software and/or any material linked through such content. Any data included in the Software upon shipment from Telerik is for testing use only and Telerik hereby disclaims any and all liability arising therefrom. The extent of Telerik's liability for the limited warranty section shall be as set forth therein.

10. Indemnity

You agree to indemnify, hold harmless, and defend Telerik and its resellers from and against any and all claims, lawsuits and proceedings (collectively "Claims"), and all expenses, costs (including attorney's fees), judgments, damages and other liabilities resulting from such Claims, that arise or result from (i) Your use of the Software in violation of this Agreement, (ii) the use or distribution of Your Integrated Product or (iii) Your modification of the Software's source code.

11. Confidentiality

Except as otherwise provided herein, each party expressly undertakes to retain in confidence all information and know-how transmitted or disclosed to the other that the disclosing party has

identified as being proprietary and/or confidential or that, by the nature of the circumstances surrounding the disclosure, ought in good faith to be treated as proprietary and/or confidential, and expressly undertakes to make no use of such information and know-how except under the terms and during the existence of this Agreement.
