SIEMENS

STEP 7-Micro/WIN SMART V3 Patch Tool

Readme

Operating system and hardware requirements

Your computer and operating system must meet the following requirements:

- Windows 10 (64-bit) or Windows 11
- At least 850 MB of free hard disk space
- Minimum screen resolution of 1024 x 768 pixels with small font setting
- Mouse supported by Microsoft Windows

Operating environment

To be able to install and work with STEP 7-Micro/WIN SMART V3 Patch Tool, you must log on with administrator privileges.

Siemens has tested STEP 7-Micro/WIN SMART V3 Patch Tool under the following operating systems with required Windows patches:

- Windows 10 (64-bit)
- Windows 11

Prerequisites

Your computer must have STEP 7-Micro/WIN SMART V3 (Version 3.2 or later) installed.

Note

This Patch tool cannot be used as a standalone installer in an environment where STEP 7-Micro/WIN SMART V3 (Version 3.2 or later) is not already installed. It is intended only for updating an existing installation.

This Patch tool does not support upgrading STEP 7-Micro/WIN SMART V3 Version 3.1 or earlier.

This Patch tool does not support downgrading STEP 7-Micro/WIN SMART V3 to an earlier version.

Installation

To install STEP 7-Micro/WIN SMART V3 Patch Tool, follow these steps:

1. Log in with administrator privileges.
2. Close STEP 7-Micro/WIN SMART V3 and all applications.
3. Double-click "STEP 7-MicroWIN SMART V3 Patch Tool.exe".
4. Follow the displayed instructions to complete the installation.

Overview to documentation update

Siemens would not inform you of any further product update and recommends that you check for product updates regularly.
