

ATTESTATION of Conformity

with the Manufacturer's Testing Program of DEKRA Certification B.V.

Attestation Number: **DEKRA 229207500**

Issue Number: **0**

Manufacturer: **Siemens AG**
76181 Karlsruhe, Germany

Manufacturer's
laboratory: **Siemens AG, Type Test Center**
Östliche Rheinbrückenstr. 50 (Building 5421),
76187 Karlsruhe, Germany

DEKRA Certification B.V. declares that the manufacturer's laboratory has been qualified for participation in following manufacturer's testing program:

Witness testing at manufacturer's laboratory for IECEx and ATEX including Off-Site testing
Long term witness testing at manufacturer's laboratory for IECEx and ATEX
Remote witness testing at manufacturer's laboratory for IECEx and ATEX
Partially witnessed testing at manufacturer's laboratory for IECEx and ATEX

This attestation is based on laboratory site assessment report no. 229207500, Issue 0

Surveillance of the requirements and procedures for witness testing of the manufacturer's testing laboratory is part of this attestation. This attestation can be withdrawn if the manufacturer's laboratory no longer satisfies these requirements which are laid down in the following specifications:

IECEx OD 024 : 2021

ATEX 2014/34/EU Guidelines 5th Ed., § 111

This attestation is based on ISO/IEC 17025 : 2017 and relates to the scope specified in the annex to this attestation only. Any other requirements of the standards listed in the scope are not covered by this attestation.

The IECEx Testing Laboratory, Certification Body or ATEX Notified Body involved in the conformity assessment of the equipment has a supervisory roll.

Validity: See the on line IECEx OD 024 Testing Register on www.iecex.com.
