

*The Agile mindset, which is strongly driven by GBS and SHS, helped the multidisciplinary team develop trust and achieve this great result.*

Francesco Naddeo | Head of Tender & Bid at Siemens Healthineers

*The development of "Bid2Win" with GBS has been a marathon, which has turned out to be a unique collaborative experience, where the communication and the alignment of expectations between all the stakeholders have played a key role in the achievements.*

Filomena Cardoso | Area Manager at Siemens Healthineers
