Ingenuity for life

Quality Policy

siemens.com.eg

Our innovative and quality solutions enable our customers to excel in their businesses. In that perspective, our goal is to exceed our customers' expectations while achieving sustainable and profitable growth.

Employee satisfaction is essential to achieve this goal with dedicated and collective efforts. Our employees are empowered to continuously improve our processes, with an ownership culture, and a quality mindset in every step.

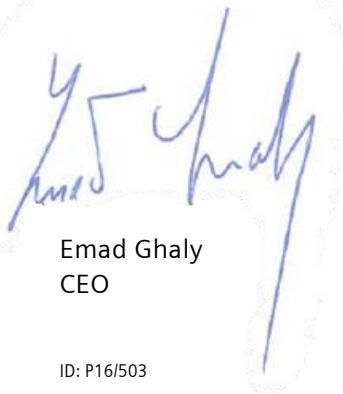

Our strategic relationships with our business partners are key to our success in fulfilling our commitments towards our customers.

Our activities are based on mutual trust and integrity, and are governed by the highest ethical and compliance standards, including all applicable laws and regulations.

We are committed to the continual improvement of our QMS (Quality Management System).

Our motto is:

"Quality is always the result of focused effort."
