

COOPERATIVE PURCHASING CONTRACTS

Sourcewell Cooperative Purchasing for Government, Education, and Non-profits

Siemens is proud to partner with Sourcewell and their Cooperative Purchasing Contracts. As a leader in the industry, Sourcewell is passionate about helping members fulfill their public service missions and are building stronger relationships with members and vendors to develop practical solutions together. By utilizing Sourcewell Cooperative Purchasing Contracts, you can ensure your purchases are:

Compliant

- Trusted process satisfies bid requirements
- Government agency that works like you
- Five-time recipient of the "Achievement of Excellence in Procurement" award

Competitive

- Buying power of over 86,000 members
- Contracts offer "not to exceed" pricing, volume discounts

Convenient

- Full catalog of options for a complete solution
- Easy, no-cost membership

With Siemens contracts covering a wide range of smart infrastructure, Sourcewell Cooperative Purchasing makes your purchasing simple and more affordable.

Sourcewell is a government agency that makes the buying process easier and more affordable by combining the purchasing power of many agencies into a single cooperative group. Contracts are competitively solicited and awarded to satisfy the public bidding process for its education, government, and nonprofit participating agencies.
