Registering on the new DB website.

A guide on how to register for the new DB member website.
How to register on the Siemens DB member website.

Step 1
Link to the DB website below -

www.siemens.co.uk/dbpensions

Step 2
Once on the website, click on

“Register for a username and password”

NOTE:
Before you can proceed further, you must read and accept the terms and conditions.
Step 3
Once you have accepted the terms and conditions, please enter your personal details on the below screen

![Registration Screen]

NOTE:
Your Membership Number is shown on the letter or email notifying you of our new website.

Step 4
You will be asked to verify your address details, if these details relate to an old address then you can continue with the registration process by selecting the box to confirm that these are your details. Once you are logged into the site you can then update the system with your current address details. If these details do NOT relate to you please do not proceed and contact AskHR.
Step 5
You will be asked to choose a memorable question and answer.

You will need to remember this as you will be asked this question each time you log into the site.

There are five questions to choose from and you can add a hint to remind yourself of the answer. You must also input your email address, without this you cannot proceed.

Once you have input these details and clicked on the continue button you will shortly receive an email confirming your temporary password.

Step 6
Now that you have confirmed your details, you will shortly receive an email confirming your temporary password.

Once you have received your password, click on the home button.

This will take you back to the log on screen
Step 7
Now that you have gone through the registration process, click on the "Log in with your username and password".

Step 8
Your Username will be your Membership Number as shown on the letter or email we sent you to notify you of our new website.

It is important to retain this number.

Enter in your temporary password that you have been send by email and then login.
Step 9
You will then be asked your memorable questions, which you must answer with requested letters using the drop down menus.

Step 10
You need to change your password. Your password must also:

• be 8 or more characters long
• contain number(s)
• contain lower case letter(s)
• contain an upper case letter or punctuation character
One you have entered your new password you will then access the new website!
