### Biography

Michael Reitermann has been a Member of the Managing Board of Siemens Healthineers since 2015. Additionally, he is President of the Diagnostics Segment since 2018. As of March 2018, Siemens Healthineers AG (SHL) is listed on the Frankfurt Stock Exchange. Three months after its stock market debut, Siemens Healthineers entered the technology index TecDAX and in September that year Deutsche Börse also included the company in the mid-cap index MDAX.

Michael Reitermann has held senior leadership positions at Siemens' healthcare business as President of the Diagnostics Division and President of the North America Region. Previously, he served in management positions with increasing responsibility in product development, marketing, sales and general management in the X-ray, Angiography and Molecular Imaging business lines. He joined Siemens in 1990 in corporate planning and became a partner at Siemens Management Consulting, before joining the healthcare business in 1998.

Michael Reitermann holds a degree in industrial engineering from the University of Karlsruhe, Germany, and an MBA from the University of British Columbia, Canada. He was born in Stuttgart, Germany, in 1962.
