Dutch Financial Markets Supervisory Act (Wet op het financieel toezicht) Chapter 5.1.A.;**  
**Grand-Ducal regulation of 11 January 2008 relating to the transparency requirements;**  
**Choice, disclosure and storage and filing of Home Member State according article 2.**

Dear Sirs,

Following the recent introduction of the Transparency Directive into the Dutch Financial Markets Supervisory Act (WFT) we studied the impact of the Dutch law as well as the impact of the Luxembourg law for Siemens Financieringsmaatschappij N.V.

Our bonds and notes are only listed at the Luxembourg Exchange; therefore we decided to choose the Grand Duchy of Luxembourg as Home Member State related to the transparency regulations.

This letter will be handled as regulated information and be available on our internet side too.

Yours faithfully,

Siemens Financieringsmaatschappij N.V.
