Siemens to pay dividend of €3.80 per share

- **Annual Shareholders' Meeting ratifies acts of Managing and Supervisory Boards by large majorities**

At today's 53rd ordinary Annual Shareholders' Meeting of Siemens AG, shareholders approved the distribution of a dividend of €3.80 per share for fiscal 2018, as proposed by the Managing and Supervisory Boards. The dividend for fiscal 2018 was thus €0.10 higher than the dividend for fiscal 2017. The company has now increased its dividend five years in a row.

The Annual Shareholders' Meeting also ratified the acts of the members of the Managing and Supervisory Boards for fiscal 2018. The proposals on these and the other agenda items were approved by large majorities.

Detailed voting results on the individual agenda items at the Annual Shareholders' Meeting are available at www.siemens.com/agm.

Further information on the 2019 Annual Shareholders' Meeting is available at www.siemens.com/press/agm.

Siemens AG (Berlin and Munich) is a global technology powerhouse that has stood for engineering excellence, innovation, quality, reliability and internationality for more than 170 years. The company is active around the globe, focusing on the areas of electrification, automation and digitalization. One of the largest producers of energy-efficient, resource-saving technologies, Siemens is a leading supplier of efficient power generation and power transmission solutions and a pioneer in infrastructure solutions as well as automation, drive and software solutions for industry. With its publicly listed subsidiary Siemens Healthineers AG, the company is also a leading provider of medical imaging equipment – such as computed tomography and magnetic resonance imaging systems – and a leader in laboratory diagnostics as well as clinical IT. In fiscal 2018, which ended on September 30, 2018, Siemens generated revenue of €33.0 billion and net income of €6.1 billion. At the end of September 2018, the company had around 379,000 employees worldwide. Further information is available on the Internet at www.siemens.com.
