Conditions of entry

The participation in this draw and the conduct thereof are subject to the following conditions, to which the entrant indicates his or her consent by participating in the contest through sharing an Insta-Story with our AR filter „SiemensFestivalNight“ on his or her Instagram Account.

Organization

Siemens AG (department: CM CUS) (hereinafter “Siemens”) is conducting a draw on the Instagram Account (@siemens_arts) for 3 x 2 tickets to a performance of choice for the Salzburg Festival 2022 (2 tickets per winner – winner plus guest). The prize includes one overnight stay in a standard room at the ARCOTEL Castellani, Salzburg. Siemens will not reimburse any further travel expenses (like transport costs).

Duration

The raffle begins on July 24th, 2021 and ends on August 31st, 2021.

Closing date for entries

Stories shared by 12am on August 31st 2021 will be eligible for the draws.

Eligibility

Eligible are all persons 18 years and up.

To take part in the draw for tickets, entrants must share an Insta-Story with our AR filter „SiemensFestivalNight“ on their Instagram Account including a link to our Instagram account @siemens_arts, so that a repost by Siemens is possible.

Entries by direct message or other channels cannot be accepted.

Entry is free. Costs associated with participation via the Internet will be borne by the entrant. Telecommunication costs incurred in order to participate in the draw cannot be reimbursed.

Determination of winners

The winners will be determined on 1st of September.

Winners will be selected from all the entries by means of a random generator.

Notification of winners

Winners will be notified via direct message on Instagram promptly after determination.

Winning entries

Winnings cannot be paid out in cash.

The selection of performances will be possible from November 15th, 2021, as soon as the final program for the 2022 Festival is available. The winners can choose a performance and will then receive tickets for it from our corporate quota. The hotel booking will also be handled by Siemens.

Siemens is not responsible for and has no control over the performances to which the awarded tickets give entry. If the events are cancelled, no alternative date will be offered. Therefore, the awarded ticket does not entitle the holder to attend an alternative event.

The packages are corporate packages that cannot be sold. Reselling of packages, particularly on the internet, is not permitted.

Tax

The prize from the raffle leads to taxable salary for Siemens' employees in Germany and to taxable income for employees of foreign subsidiaries. The prizes are taxed by the Siemens AG at a flat rate in accordance with § 37b EStG. The lump-sum tax will be taxed by the Siemens AG, so that the winner will not be burdened by it. In the case of employees of foreign subsidiaries, who are not employed in Germany, and are subject to income tax, the flat-rate taxation pursuant to § 37b EStG does not apply. If applicable, these employees must pay the profit in the country of residence within the framework of their personal income tax return.

Data protection

Siemens will comply with the pertinent statutory provisions for data protection in collecting, storing, processing and using personal data. The personal data collected in the context of the raffle will be used exclusively for the purpose of carrying out the raffle (e.g. to determine the winners, to notify them and to send them the prize).
