

CERTIFICATE

This is to certify that

Siemens Industry, Inc.

3617 Parkway Lane
Peachtree Corners, GA 30092
United States of America

with the organizational units/sites as listed in the annex

has implemented and maintains an **Environmental Management System**.

Scope:

The Environmental activities and supporting processes associated with the design, manufacture, assembly, and warehousing of Switchboards, Power Panels, Low and Medium Voltage Switch Gear, Busway, Lighting Controls, Transfer Switches, Lighting Panels, Meters, Load Centers, Industrial and Residential Electrical Equipment, the procurement, manufacturing, final assembly, and distribution of Power Circuit Breakers, Molded Case Circuit Breakers and associated accessories and components, and the provision of power, mechanical and thermal testing services for Low Voltage Circuit Protection, Distribution, and Controls Devices. Oversight, administration, and site management is provided by the office located at Peachtree Corners, Georgia.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO 14001 : 2015

Certificate registration no.	10014431 UM15
Date of original certification	2008-01-09
Date of certification	2022-10-14
Valid until	2025-10-31

DQS IS A MEMBER OF

DQS Inc.

Brad McGuire
Managing Director
