

Buy One Get One Free

Register for any live training course lasting 3 full days or more and bring a guest for free.

Amplify Value

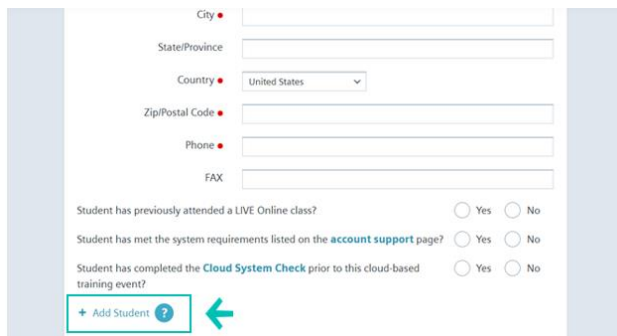

Enhance your team's skills with Siemens Xcelerator Academy.

This offer maximizes your training investment by benefiting additional team members.

Terms and conditions

Maximize Your Learning: Sign up for any course delivered in English that lasts 3 full days or more, and get a free enrollment for a colleague in the same course.

Immediate Referral Required: Include the free participant during initial registration using the 'Add student' option in the form.

Valid Dates: From June 1, 2025, to December 31, 2025, subject to seat availability.

Uniquely Yours: This discount cannot be combined with other promotions or offers.

Class Availability: If your selected class doesn't run, the next available session will be offered. Regular registration policies remain in effect, including potential cancellations due to insufficient enrollment.

SIEMENS

Eligibility Restrictions - Classes excluded from promotion: Solid Edge® software, Femap® software, NX Nastran® Software, Electronic System Cooling, Space Systems Thermal, Laminate Composites, NX Thermal and Flow Analysis and Thermal and Flow Analysis Advanced, NX Response Simulation, Knowledge Fusion, Open API, Check-Mate Author, EDA live training and a few courses delivered by our 3rd party partners.

Global Operations Discretion: All requests are subject to final approval by Siemens Xcelerator Academy team. Siemens Digital Industries Software reserves the right to modify or cancel any promotion at any time.
