2. To resolve on the appropriation of net income of Siemens AG to pay a dividend

The Supervisory Board and the Managing Board propose that the unappropriated net income of Siemens AG for the fiscal year ended September 30, 2011 amounting to €2,742,610,263.00 be appropriated as follows:

Prerequisites for attending the Annual Shareholders' Meeting and for exercising the voting rights

Notification of attendance

Only those shareholders are entitled to attend and vote at the Annual Shareholders' Meeting who are recorded as shareholders of the Company in the Company's stock register and who have submitted timely notification of attendance to the Annual Shareholders' Meeting. The notification of attendance must be received by the Company no later than Tuesday, January 17, 2012.

Shareholders who are registered in the Company's stock register may submit their notification of attendance in text form in the German or English language to Siemens AG at the following address:

Siemens Hauptversammlung 2012
81052 Munich, Germany
Telefax: +49 89 636 700776
E-mail: ihv@siemens.com

or by using the password-protected Internet Service for the Annual Shareholders' Meeting electronically via the Internet at

<https://ihv.siemens.com>

You can obtain online access by entering your Shareholder Control Number and the related Personal Identification Number (PIN) both of which are contained in the materials sent to you. Instead of their PIN, shareholders who have registered for electronic delivery of shareholder meeting materials must use the Access Password selected by them upon registration. Further information on the attendance notification procedure is provided on the Attendance Notification Form (which may also be used to assign a proxy and vote by mail) sent to you together with the Notice of Annual Shareholders' Meeting, as well as at the above-mentioned website.

Credit institutions, shareholders' associations and persons, institutions or companies of equal status pursuant to Section 135 (8) or Section 135 (10) in connection with Section 125 (5) of the German Stock Corporation Act (AktG) are not entitled to vote such shares not owned by them, but which are recorded under their name in the Company's stock register (commonly referred to as nominee or "street name" registration), unless they have the shareholder's authority.

Holders of American Depositary Receipts (ADR) may obtain further information through JP Morgan Chase & Co., P.O. Box 64504, St. Paul, MN 55164-0504, U.S.A. (Phone +1800 990 1135; E-mail: jpmorgan.adr@wellsfargo.com).

Please note that, due to the historically high number of attendance notifications received for our Annual Shareholders' Meeting, it is necessary to limit the number of admission tickets sent to shareholders to generally one ticket per shareholder. Without wishing to restrict your right to attend, we request that you notify your attendance as early as possible and only if you seriously intend to attend the Annual Shareholders' Meeting. This will facilitate organization of the Annual Shareholders' Meeting.

Shareholders of record or their duly appointed proxies entitled to attend the Annual Shareholders' Meeting will be issued admission tickets and voting cards.

Free disposability of stock

A shareholder's notification of attendance to the Annual Shareholders' Meeting will not entail share blocking, i.e. even after having registered for attendance, shareholders remain free to dispose of their shares. The right to vote is based on the number of shares evidenced by entry in the Company's stock register as of the date of the Annual Shareholders' Meeting. This number will correspond to the number of shares registered at the end of the closing date of the notification period, since applications for registration in the Company's stock register received from January 18, 2012 through January 24, 2012 will be processed and considered only with effect from January 25, 2012.

Proxy voting procedure

Shareholders who are registered in the Company's stock register are entitled to vote by proxy, i.e. by delegating their authority to vote their shares at the Annual Shareholders' Meeting to a proxy representative, such as a credit institution or a shareholders' association. Here again, timely notification of attendance must be given by the shareholder or the duly authorized proxy.

A proxy authorization, its revocation and evidence of proxy authorization vis-à-vis the Company must be provided in text form or via the above-mentioned Internet Service for the Annual Shareholders' Meeting (by entering the Shareholder Control Number and the related Personal Identification Number (PIN) or the Access Password) if neither a credit institution nor a shareholders' association nor persons, institutions or companies of equal status pursuant to Section 135 (8) or Section 135 (10) in connection with Section 125 (5) of the German Stock Corporation Act (AktG) are authorized. Both the assignment and evidence of a proxy authorization may be mailed to the above-mentioned address by using the Attendance Notification Form sent to shareholders together with the Notice of Annual Shareholders' Meeting. Credit institutions, shareholders' associations and persons, institutions or companies of equal status pursuant to Section 135 (8) or Section 135 (10) in connection with Section 125 (5) of the German Stock Corporation Act (AktG) may stipulate different requirements with regard to their own appointment as proxies.

As a special service, we offer our shareholders, as in the past, the possibility of delegating, to employees of Siemens AG, their authority to vote their shares at the Annual Shareholders' Meeting in accordance with their voting instructions. Again, the required authorization may be given at the above-mentioned website (by way of the Shareholder Control Number and the related Personal Identification Number (PIN) or Access Password) or by returning the forms mailed to you. Please note that these proxy representatives can vote your shares only on agenda items on which you have given voting instructions, and that they may not accept instructions on proposals of procedure prior to or during the Annual Shareholders' Meeting. In the same way, these proxy representatives will not accept any instructions for requests to speak, to raise objections against resolutions of the Annual Shareholders' Meeting or to ask questions or submit proposals.

Further details regarding the proxy voting procedure are provided on the Attendance Notification Form mailed to you together with the Notice of Annual Shareholders' Meeting and at the above-mentioned website.

After timely notification of your attendance, you may use our Internet Service for the Annual Shareholders' Meeting to change your admission ticket order, proxy authorization and voting instructions until the end of the general debate on the day of the Annual Shareholders' Meeting. When using our Internet Service for the Annual Shareholders' Meeting, please note that you can neither vote on possible counterproposals or election nominations or other proposals not brought forward prior to the Annual Shareholders' Meeting nor give voting instructions with regard to such proposals. Likewise, no requests to speak, objections to resolutions of the Annual Shareholders' Meeting, questions or proposals from shareholders can be accepted via the Internet Service for the Annual Shareholders' Meeting.

Absentee voting procedure

Shareholders registered in the Company's stock register are entitled to submit their votes by way of absentee voting (voting by mail), even without attending the Annual Shareholders' Meeting. Only those shareholders of record are entitled to vote by mail who have submitted timely notification of attendance to the Annual Shareholders' Meeting.

The submission of votes by way of absentee voting shall be in writing or by using electronic communication and must be received by the Company no later than Tuesday, January 17, 2012. Please use the Attendance Notification Form mailed to you together with the Notice of Annual Shareholders' Meeting and mail it to the above-mentioned address or use our password-protected Internet Service for the Annual Shareholders' Meeting via the above-mentioned Internet address (by entering your Shareholder Control Number and the related Personal Identification Number (PIN) or the Access Password).

Further details regarding the absentee voting procedure are provided on the Attendance Notification Form mailed to you together with the Notice of Annual Shareholders' Meeting and at the above website.

After timely submission of your vote by way of absentee voting, you may make changes via our Internet Service until the end of the general debate on the day of the Annual Shareholders' Meeting. When using our Internet Service for the Annual Shareholders' Meeting, please note that you cannot cast absentee votes either on possible counterproposals or on election nominations or on other proposals not brought forward prior to the Annual Shareholders' Meeting. Like-

wise, no requests to speak, objections to resolutions of the Annual Shareholders' Meeting, questions or proposals from shareholders can be accepted via the Internet Service for the Annual Shareholders' Meeting.

Authorized credit institutions, shareholders' associations and persons, institutions or companies of equal status pursuant to Section 135 (8) or Section 135 (10) in connection with Section 125 (5) of the German Stock Corporation Act (AktG) may also take advantage of absentee voting.

Submission of votes by way of absentee voting, too, is based on the number of shares evidenced by entry in the Company's stock register as of the date of the Annual Shareholders' Meeting. This number will correspond to the number of shares registered at the end of the closing date of the notification period, since applications for registration in the Company's stock register received from January 18, 2012 through January 24, 2012 will be processed and considered only with effect from January 25, 2012.
