Direitos do Fornecedor Raciocínio, escopo e abordagem principal

POR QUE O QUE COMO Os requisitos de segurança da informação para proteção contra ataques de segurança cibernética de usuários externos trazem à tona a necessidade de um mecanismo de login seguro.

O Supplier Entitlement é um sistema de acesso para usuários fornecedores obterem acesso às aplicações da Siemens por meio de uma autenticação exclusiva de dois fatores: Fator 1: endereço de e-mail de direito + senha Fator 2: Um fator adicional fornecido ao respectivo usuário

Com base no segundo método de autenticação selecionado, os usuários fornecedores recebem Opção 1: uma notificação push no celular (aplicativo Guardian) Opção 2: uma senha de uso único (OTP) via mensagem de texto (SMS) no celular Opção 3: um código gerado pelo aplicativo autenticador após a leitura do código QR Após a confirmação bem-sucedida, o acesso ao aplicativo é concedido.

Supplier Master Data Request

B

Please click here to initiate your activities.

Are you logging in for the first time?

Dear Supplier,

SIEMENS October 11, 2023

With this email we would like to inform you that Siemens has registered your company on its supplier platform SCM STAR to be able to conduct business activities with you in the future.

This email is generated automatically. Please do not respond to this email address.

In order to receive the status "Ready for Business" from Siemens and thus be qualified for purchase orders, tenders and contracts, we kindly ask you to follow the instructions in this email and to complete the attached request promptly (this request is opened 2 days for you). Thank you for your understanding and cooperation.

Please click here to initiate your activities.

Are you logging in for the first time?

Learn how to log in in just a few steps by watching uns video or reading this user guide. You must have created a secured single sign-on account to complete this application. This is a one-time process to create a secured user connection in the Siemens Authentication Service. If you do not already have an active user account, B you will be redirected to the Siemens authentication pages. After you have active ted your user account, you will be redirected to the supplier master data application.

Questions?

- Email: <u>s2c_support.scm@siemens.com</u>
- Internet page for suppliers (includes user guides in the Download Center): http://www.siemens.com/supplierportal

Siemens AG / Supply Chain Management (operator of SCM STAR for all participating companies)

Ativação inicial de autenticação multifator Escolha seu segundo método de autenticação preferido

Após definir sua senha você será redirecionado para selecionar o segundo método de autenticação. Você pode escolher entre o a plicativo Guardian, Google Authenticator ou aplicativo semelhante e autenticação de número de celular. Escolha seu segundo método de autenticação preferido e continue usando os links a seguir para Guardian app for Android and Apple iOS, Google Authenticator or similar app, mobile phone number authentication.

Restricted | © Siemens 2023 | SCM FE DDM | 2023-10

Ativação inicial de autenticação multifator Aplicativo Guardian para Android e Apple iOS

O aplicativo Guardian deve ser selecionado caso você queira usar seu dispositivo Android ou Apple iOS para o segundo método de autenticação. Para baixar o aplicativo você pode usar o link direto para acessar a loja de aplicativos relevante (clique no ícone App Store ou Google Play). Procure o "Auth0 Guardian" no seu celular/tablet e após instalar o aplicativo com sucesso, passe para a próxima etapa.

Ativação inicial de autenticação multifator Aplicativo Guardian para Android e Apple iOS

Assim que o aplicativo Guardian for instalado com sucesso em seu dispositivo Andorid ou Apple iOS, clique em "Continue". Um código QR exclusivo será gerado. Abra o aplicativo Guardian no seu celular/tablet e escaneie o código QR. Assim que o código QR for digitalizado, você será solicitado a confirmar ou criar uma frase segura no aplicativo Guardian. No Siemens ID Login Service, você será solicitado a armazenar o código de recuperação.

Ativação inicial de autenticação multifator Aplicativo Guardian para Android e Apple iOS

Como alterar os dados de login/método de autenticação Alteração das informações da conta

Change Name	Change Email	Change Password
Firstname Lastname Save	Please enter your new email address below. We will send you a verification email to the new address. You will be unable to log in to the application until you verify the new address. Email Address training1312en@yahoo.com Submit Request	After submitting, you will receive an email with a link to change your password.
Alterar seu nome e sobrenome não afetará a lógica de autenticação.	A alteração do seu e-mail desabilitará o acesso ao Aplicativo até que o novo endereço de e-mail seja confirmado. Posteriormente, o novo endereço de e-mail poderá ser usado para o método de autenticação existente.	A redefinição da sua senha não afetará o segundo método de autenticação. Depois de redefinir a senha, a segunda configuração de autenticação atual será predefinida.

Após fornecer o segundo método de autenticação, você será redirecionado para as configurações de perfil mencionadas acima.

Como alterar os dados de login/método de autenticação Alteração do método de autenticação multifator

Multi-Factor-Authenticat	ion		
Verify Your Identity We've sent a text message to:		This is your current Multi-Factor-Authent	ication method.
XXXXXXXX1382 ter the 6-digit code ————————————————————————————————————		sms	
Continue		XXXXXXXXX1382	Î
Didn't receive a code? Resend			

Para alterar seu método de autenticação multifator, clique em "Multi-Factor-Authentication" – você será solicitado a fornecer o método de autenticação atualmente definido. Após o login selecione o ícone de exclusão e confirme a ação. Caso você esteja tentando alterar o segundo método de autenticação porque o segundo método de autenticação não está disponível para você (por exemplo, telefone perdido, perda de acesso ao aplicativo Guardian ou outros aplicativos de segunda autenticação), clique <u>aqui</u> para obter mais etapas.

Como alterar os dados de login/método de autenticação Alteração do método de autenticação multifator

Here you can add a new Multi-Factor-Authentication method.	
Add authentication method	SIEMENS 2023-10-12
An email with a link to specify your new Multi-Factor-Authentication method has been sent to training1312en@yahoo.com.	Protect Your Siemens Account Two-factor authentication enhances the security of your account by using a secondary device to verify your identity. This prevents anyone but you from accessing your account, even if they know your password. This process will help you set up your account with this added layer of security.
SIEMENS i	Start setup
Here you can add a new N Logout Authentication method.	Contact Please do not reply to this e-mail, as we are unable to respond from this email address.
Add authentication method	<u>Siemens.com Global Website</u> © Siemens 1996 - 2023

Depois de excluir o método de autenticação atual, você precisa definir um novo método de autenticação multifator. Clique em "Add authentication method" para receber um e-mail com mais instruções. É importante sair da sua conta antes de prosseguir com a configuração de um novo segundo método de autenticação. Feito isso, abra a notificação que você recebeu em sua caixa de correio e clique em "Start setup" e continue conforme descrito <u>aqui</u>.

Como alterar os dados de login/método de autenticação Faça login via código de recuperação

	 Select a method to verify your identity 	
Verify Your Identity We've sent a text message to: XXXXXXXX1382 Enter the 6-digit code Continue Didn't receive a code? Resend	Image: SMS (2) Recovery code	<text><text><text><text><text><text><text></text></text></text></text></text></text></text>

Se você precisar alterar o segundo método de autenticação ou não conseguir fornecer a segunda autenticação no momento, poderá fazer login usando o código de recuperação fornecido no primeiro login. Neste caso quando for solicitada a segunda autenticação selecione "Try another method" e selecione a opção "Recovery code". Digite seu código de recuperação e clique em "Continue".

Como alterar os dados de login/método de autenticação Faça login via código de recuperação

Almost	There!
Copy this recovery code safe. You'll need it if you ev your d	and keep it somewhere ver need to log in without evice.
57CYYZC7H9AF	VM24DV628ULD
Copy V I have safely recorded	code I this code
Cont	inue

Você receberá um novo código de recuperação. Certifique-se de copiar o novo código de recuperação e mantê-lo em algum lugar seguro. O código de recuperação antigo pode ser descartado, pois será desativado assim que você receber um novo. Depois de salvar seu novo código de recuperação, clique em "Continue".
