Content Management System and/or .NET component vendors are not allowed to use the Software (as defined below) without the express permission of Telerik. If You or the company You represent is a Content Management System or .NET component vendor, You may not purchase a license for or use the Software unless You contact Telerik directly and obtain permission.

This License does not grant You a license or any rights to the “2007 Microsoft Office System User Interface” and You must contact Microsoft directly to obtain such a license. Any and all rights in the Software not expressly granted to You as part of the License hereunder are reserved in all respects by Telerik.

This is a license agreement and not an agreement for sale.

1. Software License

1.1 License Grant. Subject to the terms and conditions set forth in this Agreement, Telerik hereby grants to Licensee and Licensee hereby accepts, a limited, non-transferable, perpetual, sublicenseable (solely as set forth in Section 1.3), non-exclusive license (the “License”) to use the Telerik computer software identified as UI for WPF and any updates, upgrades, modifications and error corrections thereto provided to Licensee (the “Programs”) and any accompanying documentation (the “Documentation”, together with the Programs, collectively the “Software”)

solely as specified in this Agreement. You are granted either a Trial Developer License pursuant to Section 1.4, a Starter Developer License with Starter Support pursuant to Section 1.5 or a Professional Developer License with Updates and Priority Support pursuant to Section 1.6. Which version of the License applies (i.e., Trial Developer License, Starter Developer License with Starter Support or Professional Developer License with Updates and Priority Support) is determined at the time of the License purchase. YOU OR ANYONE IN YOUR ORGANIZATION MAY NOT SIMULTANEOUSLY HOLD A STARTER DEVELOPER LICENSE AND PROFESSIONAL DEVELOPER LICENSE WITH UPDATES AND PRIORITY SUPPORT.

For purposes of this Agreement:

“Integrated Products” means Your proprietary software applications which: (i) are developed by Your Licensed Developers; (ii) add substantial functionality beyond the functionality provided by the incorporated components of the Programs; and (iii) are not commercial alternatives for, or competitive in the marketplace with, the Programs or any components of the Programs.

“Licensed Developers” means Your employees or third-party contractors authorized to develop software specifically for You using the Software in accordance with this Agreement.

1.2 Scope of Use. The Software is licensed, not sold, on a per-seat basis. The number of Licensed Developers using the Software must correspond to the maximum number of License seats You have purchased from Telerik hereunder. This means that, at any given time, the number of Licensed Developers cannot exceed the number of License seats that You have purchased from Telerik and for which You have paid Telerik all applicable License Fees pursuant to this Agreement. The Software is in “use” on a computer when it is loaded into temporary memory (i.e. RAM) or installed into permanent memory (e.g. hard disk or other storage device). Your Licensed Developers may install the Software on multiple machines, so long as the Software is not being used simultaneously for development purposes at any given time by more Licensed Developers than You have License seats. You are not limited by the number of License seats with respect to how many individuals within Your organization may access and use the Software for testing and building purposes. You may also embed copies of the Programs in Your Integrated Products that You license and distribute to Your own end-user licensees, including but not limited to, Your employees (“Authorized End-Users”), solely in accordance with the requirements set forth in Section 1.3 below.

1.3 License for Redistribution.

Notwithstanding subsection 1.3.1(iii), if the only Authorized End-Users of Your Integrated Product are Your employees and such use is internal and solely for Your benefit, You are not required to utilize an end user license agreement or terms of use. In no event are You allowed to distribute the Software or sublicense its use (a) in any format other than in object form, (b) as a standalone product, or (c) as a part of any product other than Your Integrated Product.

1.3.2 The foregoing license to redistribute the Programs is conditioned upon the following:

1.3.2.1 You hereby acknowledge and agree that You are solely responsible for Your Authorized End-User's use of the Programs in accordance with the limitations set forth in subsection 1.3.1 (iii) and liable for such Authorized End-User's breach of such limitations

1.3.2.2 You must ensure that the Software is not distributed in any form that allows it to be reused by any application other than Your Integrated Product. Technical guidelines are provided here: <http://www.telerik.com/purchase/license-agreement/assembly-protection-guidelines.aspx>. Please contact support@telerik.com for any additional questions. For use of the Software in design-time (i.e. within a development environment such as Microsoft Visual Studio) Your Authorized End-Users need to purchase Developer Licenses from Telerik.

1.3.2.3 You must prohibit Your Authorized End-Users from using the Software independently from Your Integrated Products, or from decompiling, reverse engineering or otherwise seeking to discover the source code of the Programs.

1.3.2.4 You must include a valid copyright message in Your Integrated Products in a location viewable by Authorized End-Users (e.g. "About" box) that will serve to protect Telerik's copyright and other intellectual property rights in the Software.

1.3.2.5 You are not allowed to, and are expressly prohibited from granting Your Authorized End-Users any right to further sublicense the Software.

In any case, Telerik's entire liability under any provision of this Agreement shall not exceed in the aggregate the sum of the license fees Licensee paid to Telerik for the Software giving rise to such damages, or in the case of a Trial License, shall not exceed \$5, notwithstanding any failure of essential purpose of any limited remedy. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not be applicable. 17. Force Majeure

Neither party shall be deemed in default of this Agreement if failure or delay in performance is
