2. **ORDERS**

- 2.1 **Ordering.** The parties may enter into one or more Orders under this Agreement. Each Order is binding on the parties and is governed by the terms of this UCA and all applicable Supplemental Terms.
- 2.2 **Delivery.** Unless otherwise set forth in the Order (i) delivery of Cloud Services occurs when Siemens makes Cloud Services available to Customer for access and use, (ii) delivery of Software occurs when Siemens makes Software available to Customer via electronic download from a website specified by Siemens or ships the tangible media containing the Software, and (iii) for an Offering that is comprised of a combination of Cloud Services and Software, delivery occurs when the Software and Cloud Services are made available by Siemens. Software on media will be delivered subject to EXW (Incoterms 2020) for deliveries that occur entirely within the United States, Russia, or China. All other Software will be delivered subject to DAP (Incoterms 2020).
- 2.3 **Payment.** Customer will pay the fees set forth in the applicable Order within 30 days after the invoice date unless otherwise agreed by the parties. Siemens will invoice Customer for Professional Services on a monthly basis as charges are incurred. Unless specified otherwise in the applicable Order, Siemens will invoice Customer for fees related to any other Offerings in advance. If Customer's usage of any Offering exceeds the applicable Entitlements for such Offering, Customer will pay fees for excess use at the then-current price for such Offering within 30 days after the invoice date. Except as expressly set forth in this Agreement, all payment obligations are non-cancelable, and all fees are non-refundable. If Customer has procured an Offering through a Siemens-authorized solution partner, different terms regarding invoicing and payment may apply as specified between Customer and the solution partner. Siemens may share information with the solution partner related to Customer's use and consumption of the Offerings for account management and billing purposes.
- 2.4 **Taxes.** All amounts to be paid to Siemens are exclusive of any taxes and any other charges. Customer agrees to pay or reimburse Siemens or its authorized solution partner for the payment of any applicable taxes or duties including, but not limited to, sales taxes, value added taxes, goods and services taxes, consumption taxes, or any other charge that is imposed by any government authority on Customer's use or receipt of, or license to, any Offering. If Customer is exempt from value-added or sales tax, then it must provide a valid, timely, and executed exemption certificate, direct pay permit, or other such government-approved documentation to Siemens or its authorized solution partner. If Customer is required by law to make any income tax deduction or to withhold income tax, after the application of reductions available under international treaties, from any sum payable directly to Siemens under this Agreement, Customer will promptly effect payment thereof to the applicable tax authorities, and will also promptly provide Siemens with official tax receipts or other evidence issued by the applicable tax authorities to support a claim for tax credit relief. Notwithstanding the foregoing, Customer is responsible for, and will indemnify Siemens for, any taxes, including withholding taxes, resulting from making an Offering available to Users in geographic locations outside the country in which Customer is located as per the Order.

3. **USE OF OFFERINGS**

- 3.1 **Use Rights.** For Cloud Services contained within an Offering, Siemens grants Customer a nonexclusive, nontransferable, limited right to access and use such Cloud Services for Customer's internal business purposes during the applicable Subscription Term, solely in accordance with the Entitlements and this Agreement. For Software and Documentation contained within an Offering, Siemens grants Customer a nonexclusive, nontransferable, non-sublicensable, limited license to use Documentation and install and use Software for Customer's internal business purposes during the applicable Subscription Term or such other time period specified in the Order, solely in accordance with the Entitlements and this Agreement.
- 3.2 **Users.** The number and categories of Users authorized to access an Offering are defined in the Entitlements. Customer will ensure that all Users comply with Customer's obligations under this Agreement. If Customer becomes aware of any violation of its obligations under this Agreement by a User or any unauthorized access of the account of a User, Customer will immediately notify Siemens and terminate the relevant person's access to Offerings. Customer is responsible for any act or failure to act by any User or any person using or accessing the account of a User in connection with this Agreement. Customer acknowledges and agrees that Users who submit declarations, notifications, or orders to Siemens act on Customer's behalf and have the legal authority to bind Customer.
- 3.3 **General Use Restrictions.** Except as authorized in this Agreement, Customer will not, and will not permit any person or entity to, (i) resell, transfer, sublicense, publish, loan, or lease any Offering, or use any Offering for the benefit of any third party without the prior written consent of Siemens, (ii) modify, alter, tamper with, repair, or create derivative works of any Offering, (iii) reverse engineer, disassemble, decompile, or otherwise attempt to discover the source code of any Offering, (iv) use any Offering in a manner that could subject such Offering to any open source software license that conflicts with this Agreement or that does not otherwise apply to such Offering, (v) use any Offering for the purpose of developing or enhancing any product that is competitive with such Offering, or (vi) remove any proprietary notices or legends contained in or affixed to any Offering. Customer will only use APIs identified as 'published' in the Documentation, and only as described therein to support the authorized use of Offerings. Customer may copy Software or Documentation only as required to support use of the Offering as expressly authorized in this Agreement, and will ensure that any such copy includes all proprietary notices contained in the Software or Documentation or affixed thereto as received from Siemens. The restrictions set out in this Section do not apply to the extent they conflict with mandatory applicable law.
- 3.4 **Security of Customer Systems.** Customer is responsible for the security of Customer systems, including Software on Customer's systems, and will take commercially reasonable steps to exclude malware, viruses, spyware, and Trojans from Customer's systems.
- 3.5 **Reservation of Rights.** All Software, Cloud Services, and non-public Documentation are trade secrets of Siemens and its licensors. Siemens or its licensors retain title to and ownership of Software, Cloud Services, Documentation, and Siemens IP. Siemens reserves all rights in Offerings and Siemens IP not expressly granted in this Agreement.
- 3.6 **No-Charge Offerings; Previews.** All (i) Offerings provided at no charge to Customer ("**No-Charge Offerings**"), and (ii) features or services offered as part of Cloud Services prior to their general release that are labeled or otherwise communicated to Customer as 'preview', 'pre-release', 'early access', or 'non-general release' ("**Previews**"), are provided "AS IS" without warranty, indemnity, support, or other commitments. Siemens may change, limit, suspend, or terminate any Previews or No-Charge Offerings at any time. Customer acknowledges that Previews are not ready for production usage, and that Customer's use of any Previews is at its sole risk

and discretion. Customer will only use No-Charge Offerings identified on an Order as being 'demo', 'test', 'evaluation', 'beta', or similar for internal test and evaluation purposes, and not for production or other commercial purposes.

- 3.7 **Information Obligations; Audit.** Customer will provide information or other materials that Siemens reasonably requests to verify Customer's compliance with this Agreement. Siemens may, during regular business hours and upon reasonable advance notice, conduct an audit of Customer's compliance with this Agreement. Customer will permit Siemens or its authorized agents to access facilities, workstations, and servers and take all commercially reasonable actions to assist Siemens in determining compliance with this Agreement. Siemens and its agents will comply with reasonable security procedures communicated to Siemens while on Customer's premises.

4. **ADDITIONAL TERMS FOR SOFTWARE**

The following additional terms apply to any Software contained within an Offering:

- 4.1 Software is provided in object code form only, unless otherwise specified in this Agreement. To the extent that any Software is provided by Siemens in source code form, Customer may only use that Software to modify or enhance the applicable Offering that such Software is a part of, and, as between the parties, all such modifications or enhancements will be owned by Siemens and subject to the license set forth in Section 3.1. Customer hereby consents to the installation of Software on systems used by Customer, as may be facilitated by Cloud Services.
- 4.2 Software may contain third-party software, technology, and other materials, including open source software, licensed by third parties ("**Third-Party Technology**") under separate terms ("**Third-Party Terms**"). Third-Party Terms are specified in the Documentation, Supplemental Terms, "read me" files, header files, notice files, or similar files. In the event of a conflict with the terms of this Agreement, the Third-Party Terms control with respect to Third-Party Technology. If Third-Party Terms require Siemens to furnish Third-Party Technology in source code form, Siemens will provide it upon written request and payment of any shipping charges.

5. **ADDITIONAL TERMS FOR CLOUD SERVICES**

The following additional terms apply to any Cloud Services contained within an Offering:

- 5.1 **Service Level Agreements.** During the Subscription Term, Siemens will comply with the applicable service level agreements for Cloud Services as set forth in any applicable Supplemental Terms.
- 5.2 **Changes to Cloud Services.** Cloud Services may be modified, discontinued, or substituted by Siemens from time to time. During a Subscription Term, Siemens will not materially degrade core features or functionalities of Cloud Services or discontinue Cloud Services without making available substitute Cloud Services, except as necessary to address (i) new legal requirements, (ii) changes imposed by Siemens' vendors or subcontractors (e.g. the termination of Siemens' relationship with a provider of software or services which are required for the provision of such Cloud Services), or (iii) security risks that cannot be resolved in a commercially reasonable manner. Siemens will notify Customer of any such material degradation or discontinuation of Cloud Services as soon as reasonably practicable, and Customer may terminate the Order for the applicable Offering upon written notice to Siemens, which termination right must be exercised within 30 days after receipt by Customer of the notice of such degradation or discontinuation. In the event of such termination or discontinuation of Cloud Services, Siemens will refund any prepaid fees for the applicable Offering on a pro-rata basis for the remainder of the Subscription Term for that Offering.
- 5.3 **Use of Messaging Services.** Customer may use Cloud Services to send emails or other messages to Users and third parties. Customer is solely responsible for any such messages and their content. Messages may be blocked, delayed, or prevented from being delivered by destination servers and other reasons outside of Siemens' control, and there is no warranty that notifications will reach their intended destination in a given timeframe.
- 5.4 **Out of Scope.** Cloud Services specifically exclude Third Party Content, even if such Third Party Content interoperates with Cloud Services, can be accessed on or from Cloud Services, or is offered in an online marketplace provided by Siemens or any of its affiliates or business partners. Any contractual relationship regarding Third Party Content is solely between Customer and the relevant third party vendor and may be governed by separate terms made available by Siemens with or as part of Third Party Content. Siemens will have no responsibility for Third Party Content or Customer's use of such Third Party Content. Cloud Services also specifically exclude (i) access to the internet or any other network, (ii) suitable connectivity or any other resources necessary for accessing or using Cloud Services, and (iii) the transmission of Content to and from the exit of the wide area network of the data centers used by Siemens to provide Cloud Services.
- 5.5 **Acceptable Use Policy; Indemnity.** Customer will comply, and ensure that all Users comply, with the AUP. Customer will indemnify Siemens, its affiliates, its subcontractors, and their representatives against any third party claims, damages, fines, and cost (including attorney's fees and expenses) relating in any way to (i) any violation of the AUP by Customer or any User, (ii) any violation of laws or regulations, or rights of others by Customer's or any User's use of any Offering, or (iii) Customer Content.
- 5.6 **Ownership and Use of Customer Content.** Siemens will not acquire any title to or ownership of Customer Content by virtue of this Agreement. Siemens and its subcontractors will use Customer Content only for the purpose of providing the Offerings, or as otherwise permitted by this Agreement or agreed by the parties. Customer is responsible for the content, management, transfer, use, accuracy, and quality of Customer Content and the means by which Customer acquires such Customer Content. Siemens recommends Customer confirm the geographic area in which Customer Content will be stored, which may be outside the country in which Customer is located. Customer will ensure that Customer Content can be processed and used as contemplated by this Agreement without violating any rights of others or any laws or regulations.
- 5.7 **Protection of Customer Content.** Cloud Services will be provided using processes and safeguards designed to protect the integrity and confidentiality of Customer Content. Customer remains responsible for taking appropriate steps regarding protection, deletion, and retrieval of Customer Content, including by maintaining backup copies. Some Cloud Services may provide features that allow Customer

to share Customer Content with third parties or make Customer Content public through use of certain Cloud Services. If Customer elects to use such features, Customer Content may be accessed, used, and shared by third parties to whom Customer provides such access or shares such Customer Content, and Customer's election to use such features is at its sole discretion and risk.

6. DATA

- 6.1 **Security and Data Privacy.** Each party will comply with applicable data privacy laws governing the protection of personal data in relation to their respective obligations under this Agreement. Where Siemens acts as Customer's processor of personal data provided by Customer, the Data Privacy Terms available at <https://www.siemens.com/dpt>, including the technical and organizational measures described therein, apply to the use of the relevant Offering and are incorporated herein by reference.
- 6.2 **Systems Information.** Siemens and its affiliates and their subcontractors may collect and derive information, statistics, and metrics regarding usage, operation, support, and maintenance of the Offerings or from Customer Content (collectively, "**Systems Information**"), and may use Systems Information to support, maintain, monitor, operate, develop, and improve its products and services or enforce its rights, provided that any Systems Information derived from Customer Content is aggregated with other information so that the original Customer Content is not identifiable. Siemens may disclose Systems Information to a Siemens-authorized solution partner solely to the extent reasonably required for such partner to fulfill its support obligations to Customer. To determine unauthorized use of Software licenses, Siemens reserves the right to embed a reporting mechanism in Software.

7. WARRANTIES AND DISCLAIMERS

- 7.1 **Software Warranty.** Siemens warrants that Software will perform substantially in accordance with the features and functionalities described in the Documentation for a period of 90 days following the date the Offering is initially made available to Customer. To the extent permissible under applicable law, as Siemens' entire liability and Customer's sole and exclusive remedy for a breach of this warranty, Siemens will, at its option (i) correct errors or provide work-arounds, (ii) replace defective Software, or (iii) require Customer to return the defective Software, terminate the Order for the non-conforming Offering in case the Software has been licensed for a Subscription Term, and refund fees paid for such Offering. The warranty for Software excludes (a) No-Charge Offerings, (b) Software provided upon re-mix, (c) Software that is designated as retired or not generally supported as of the date of the Order, (d) Software made available under the maintenance services terms set forth in any applicable Supplemental Terms, and (e) issues, problems, or defects arising from use of Software not in accordance with the terms of this Agreement.
- 7.2 **Cloud Services Warranty.** Siemens warrants that Cloud Services will perform substantially in accordance with the features and functionalities described in the Documentation. To the extent permissible under applicable law, as Siemens' entire liability and Customer's sole and exclusive remedy for a breach of this warranty, at its option (i) Siemens will use commercially reasonable efforts to restore the non-conforming Cloud Services so that they comply with this warranty, or (ii) if such restoration would not be commercially reasonable, Siemens may terminate the Order for the non-conforming Offering and refund any prepaid fees for such Offering on a pro-rata basis for the remainder of the Subscription Term for that Offering. The warranty for Cloud Services excludes (a) No-Charge Offerings and Previews, and (b) issues, problems, or defects arising from Customer Content, Third Party Content, or use of Cloud Services not in accordance with the terms of this Agreement.
- 7.3 **Disclaimers.** Siemens makes only the limited warranties expressly stated in this Agreement, and disclaims all other warranties including, without limitation, the implied warranties of merchantability and fitness for a particular purpose. Siemens does not warrant or otherwise guarantee that (i) reported errors will be corrected or support requests will be resolved to meet Customer's needs, (ii) Offerings or any Third Party Content will be uninterrupted, error free, fail-safe, fault-tolerant, or free of harmful components, or (iii) any Content, including Customer Content and Third Party Content, will be secure or not otherwise lost or damaged. Representations about Offerings or features or functionality in any communication with Customer constitute technical information, not a warranty or guarantee.

Customer is responsible for assessing the suitability of each Offering for Customer's intended use, selecting the Offering necessary to achieve Customer's intended results, and for the use of the Offering. By using the Offering, Customer agrees that the Offering meets Customer's requirements to enable compliance with applicable laws. Customer will obtain, at its own expense, any rights, consents, and permits from vendors of software and services used by Customer in connection with any Offering which are required for such use. Customer agrees that Orders are not contingent on any future features or functionality of the Offering.

Siemens does not control Customer's processes or the creation, validation, sale, or use of Customer's (or any client of Customer's) products or services and will not be liable for any claim or demand made against Customer by any third party, except for Siemens' obligations to indemnify Customer against infringement claims as expressly set forth in this Agreement.

8. LIMITATION OF LIABILITY

- 8.1 The entire, aggregate liability of Siemens related in any way to this Agreement will be limited as follows: (i) for liability solely arising from Hardware or from Software licensed on a perpetual basis, the fees paid to Siemens for that Offering, or (ii) in all other cases, the fees paid to Siemens for the Offering that gave rise to the liability during the 12 month period immediately preceding the first event giving rise to the claim. The foregoing limitation does not apply to Siemens' indemnity obligation in Section 9.
- 8.2 In no event will Siemens be liable for (i) any indirect, incidental, consequential, special, exemplary, or punitive damages, loss of production or data, interruption of operations, or lost revenue or profits, even if such damages were foreseeable, or (ii) any No-Charge Offerings or Previews.
- 8.3 Siemens will not be liable for any claim in connection with this Agreement if such claim is brought more than two years after the first event giving rise to such claim is or should have been discovered by Customer.

- 8.4 **The foregoing limitations and exclusions apply (i) to the benefit of Siemens and its affiliates, and their respective officers, directors, licensors, subcontractors, and representatives, and (ii) regardless of the form of action, whether based in contract, statute, tort (including negligence), or otherwise.**
- 8.5 **The foregoing limitations and exclusions will not apply to the extent that liability cannot be limited or excluded according to applicable law.**
9. **INTELLECTUAL PROPERTY INFRINGEMENT INDEMNITY**
- 9.1 **Infringement Claim Indemnity.** Siemens will indemnify and defend, at its expense, any action brought against Customer to the extent that it is based on a claim that Customer's use of an Offering as authorized under this Agreement infringes any copyright, any trade secret, or a patent or trademark issued or registered by the United States, Japan, or a member of the European Patent Organization, and will pay all damages finally awarded against Customer by a court of competent jurisdiction or agreed in a settlement, provided that Customer gives Siemens (i) prompt written notice of the claim, (ii) all requested information and reasonable assistance related to the claim and (iii) sole authority to defend or settle the claim. Siemens will not admit liability or incur obligations on Customer's behalf without Customer's prior written consent, which will not be unreasonably withheld.
- 9.2 **Injunction.** If a permanent injunction is obtained against Customer's use of an Offering due to an infringement claim, Siemens may, at its sole option, obtain for Customer the right to continue using the Offering, or replace or modify the Offering to become non-infringing. If such remedies are not reasonably available: (i) Siemens will refund prepaid fees for the enjoined Offering on a pro-rata basis (a) for Hardware or Software licensed to Customer on a perpetual basis, for the remainder of an amortization period of 60 months from the initial delivery to Customer, or (b) for any other Offering, for the remainder of the Subscription Term for that Offering; (ii) any applicable licenses to such Offering will automatically terminate; and (iii) Customer will immediately cease to use the enjoined Offering and return all related Software in its possession. Siemens may, in its sole discretion, provide any of the foregoing remedies to mitigate infringement prior to the issuance of an injunction.
- 9.3 **Exclusions.** Notwithstanding anything to the contrary in this Agreement, Siemens will not have any liability or indemnification obligation to Customer to the extent that an infringement claim arises out of (i) use of a prior version of the Offering to the extent that a current version is non-infringing, (ii) failure to use a replacement, correction, patch, or new version of the Offering offered by Siemens that performs substantially the same functions, (iii) use of the Offering in combination with Content, equipment, or products not provided by Siemens, (iv) use of No-Charge Offerings or Previews, (v) deliverables resulting from Professional Services, (vi) any adjustment, modification, or configuration of the Offering not made by Siemens, or (vii) instructions, assistance, or specifications provided by Customer.
- 9.4 **Sole and Exclusive Remedy.** Section 9 sets forth Siemens' entire liability and Customer's sole and exclusive remedy for infringement of third-party intellectual property rights.
10. **RENEWAL, SUSPENSION, TERMINATION**
- 10.1 **Subscription and Renewals.** If indicated on the Order or otherwise agreed by the parties in writing or in an electronic system made available by Siemens, the Subscription Term for the applicable paid Offering will automatically renew for successive Subscription Terms unless either party notifies the other at least 60 days prior to the end of the then-current Subscription Term that it has elected not to renew. Any renewed Subscription Term will be the same length as the preceding term or 12 months, whichever is greater. The then-current Agreement as made available under links referenced in this Agreement or Order or as made available to Customer by other means will apply for the following Subscription Term in lieu of this Agreement. The fees during any renewed Subscription Term will be the same as those charged during the preceding Subscription Term, unless (i) Siemens notifies Customer about different future fees at least 90 days prior to the end of the then-current Subscription Term or (ii) fees for the renewed Subscription Term(s) are specified on the Order.
- 10.2 **Suspension.** Siemens may suspend or limit Customer's or any User's access to and use of Offerings, in whole or in part, immediately (i) if Siemens reasonably determines that the use of the Offering poses a security risk to the Offering, Siemens, or any third party, or subjects Siemens or any third party to liability, (ii) if Customer materially breaches this Agreement, or (iii) upon the occurrence of any of the circumstances that give Siemens the right to immediate termination under Section 10.3. The suspension or limitation may be made in addition to any other rights available to Siemens under this Agreement, will not relieve Customer of its obligation to pay fees, and will be lifted when the reason for such suspension or limitation no longer exists.
- 10.3 **Termination.** Neither party will terminate an Order for convenience during the applicable Subscription Term. Either party may terminate an Order for a particular Subscription Term based Offering with immediate effect in the event of the other party's material breach of this Agreement which remains uncured for a period of 30 days from receipt of notice specifying the breach; provided that such termination will only be effective with respect to the Offering affected by the material breach. Siemens may immediately terminate any or all Orders or this Agreement upon notice to Customer in the event of Customer's unauthorized installation or use of Siemens software, Customer's filing for bankruptcy or having bankruptcy proceedings filed against it, Customer ceasing to do business, any breach by Customer of Sections 2.3, 3, 5.5, 11, 12, or 13.2, or in order to comply with applicable law or the requests of government authorities.
- 10.4 **Effect of Expiration or Termination.** Upon expiration of the applicable Subscription Term or termination of any Order for one or more Offerings or this Agreement for any reason, Customer's rights to access, use, or receive the affected Offering(s) automatically terminate. Customer will immediately cease using the affected Offering(s), remove and destroy all Software and other Siemens Confidential Information relating to such Offering in its possession or control, and certify such removal and destruction in writing to Siemens. Customer may retrieve Customer Content available for download for a period of 30 days after expiration or termination, provided Customer is in compliance with this Agreement and pays any applicable fees. After such period, all Customer Content may be deleted. Termination of this Agreement or any Order for one or more Offerings will not relieve Customer of its obligation to pay the total fees set forth in any Order, which fees will become due and payable immediately upon termination. In the event of Customer's termination

for Siemens' material breach in accordance with Section 10.3, Siemens will refund a reasonable portion of any prepaid fees on a pro-rata basis for the remainder of the Subscription Term for the affected Offering(s). Sections 2.3, 2.4, 3.1, 3.4, 3.5, 3.6, 5.5, 6.2, 7.3, 8, 10.4, 11, 12, 13.4 and 13.7 survive termination of this Agreement.

11. EXPORT CONTROL AND SANCTIONS COMPLIANCE

- 11.1 **Export.** Siemens' obligations under this Agreement are conditioned upon Customer's compliance with, and Customer will comply with, all applicable export and re-export controls, embargoes, and economic and trade sanctions laws and regulations, including in any event, those of the United States and the European Union ("**Export Laws**"). Customer represents that Customer Content is non-controlled (e.g. classification is "N" in the E.U., and "N" for ECCN or "EAR99" in the U.S.) and that any Content on Cloud Services, including Customer Content, any Offering provided under this Agreement, and any derivatives thereof will not be (i) downloaded or accessed by a Sanctioned Person, (ii) exported, re-exported (including any 'deemed exports'), shipped, distributed, delivered, sold, resold, supplied, or otherwise transferred, directly or indirectly, to any Sanctioned Person or otherwise in a manner contrary to the Export Laws, (iii) used for any purpose prohibited by the Export Laws, or (iv) used for non-civilian purposes (e.g. armaments, nuclear technology, weapons, any other usage in the field of defense and military), unless permitted by the Export Laws or respective governmental licenses or approvals. Without limiting the foregoing, Customer represents and warrants that (a) it is not a Sanctioned Person, and (b) it will not download or otherwise access, or facilitate a third party's download or access of, any Content on Cloud Services, including Customer Content, or any Offering, from a location in a Sanctioned Country. Customer will, at least once per year, review and update its list of Users who have access to any Cloud Services and confirm that no such User is a Sanctioned Person and that all such Users may continue to access Cloud Services in compliance with Export Laws. Siemens may conduct the necessary Export Laws checks and, upon request, Customer will promptly provide Siemens with any necessary information. Customer will be responsible for providing to and collecting from Users any information necessary to ensure compliance with applicable Export Laws (e.g. applicable export list numbers). "**Sanctioned Country**" means a country or territory that is itself the subject or target of any comprehensive trade or economic sanctions (currently Cuba, Iran, North Korea, Syria, and the Crimea region of Ukraine). "**Sanctioned Person**" means any person (A) listed in the Specially Designated Nationals and Blocked Persons List maintained by the U.S. Department of Treasury's Office of Foreign Assets Control or in any Export-Control-Related list of designated persons maintained by the U.S. Department of Commerce, the U.S. Department of State, the United Nations Security Council, the European Union, any Member State of the European Union, or the United Kingdom, (B) operating, organized, or resident in a Sanctioned Country, (C) the government of, or acting for or on behalf of the government of, Venezuela or a Sanctioned Country, or (D) owned or controlled by one or more such persons.
- 11.2 **Information Disclosure.** If Customer discloses to Siemens any information that is (i) Covered Defense Information or Controlled Unclassified Information as defined in U.S. Government regulations, or (ii) subject to Export Laws that require controlled data handling, Customer will notify Siemens' personnel in advance of each instance of disclosure and will use the notification tools and methods specified by Siemens.
- 11.3 **Remedies, Indemnification.** In the event that Customer fails to comply with any provision of Section 11 or violates any Export Laws in connection with any Offering or Siemens IP, Siemens will have the right to take action in accordance with the terms of this Agreement and as required by U.S. law or the applicable law. Further, Customer will indemnify and hold harmless Siemens, its affiliates, subcontractors, and their representatives against any claims, damages, fines, and costs (including attorney's fees and expenses) relating in any way to Customer's noncompliance with Section 11, including Customer's violation or alleged violation of any Export Laws.
- 11.4 **Right to Withhold Performance.** Siemens will not be obligated to perform under this Agreement if such performance is prevented by any impediments arising out of national or international foreign trade or customs requirements or any embargoes or other sanctions including, but not limited to, embargoes or other sanctions imposed by the United Nations, the European Union, or the United States.

12. CONFIDENTIALITY

- 12.1 **Confidential Information.** "**Confidential Information**" means all information disclosed by one party or any of its affiliates or subcontractors to the other party under this Agreement that is marked as confidential or the confidential nature of which is evident to a reasonable person. Siemens Confidential Information includes the terms of this Agreement and any Order, Offerings, Systems Information, Siemens IP, and any information Customer derives from benchmarking any Offering.
