Siemens appoints new CEOs for India, Singapore and China

- **Sunil Mathur to head Siemens India**
- **Current India CEO Armin Bruck appointed CEO of Siemens Singapore**
- **Singapore CEO Lothar Herrmann to be new China Head**

Sunil Mathur has been appointed CEO of Siemens' Regional Company in India. Currently the CFO of the Regional Company in India, he will succeed Armin Bruck. Mathur has held a variety of positions at Siemens over the past 25 years. Bruck is moving from India to Singapore, where he has been appointed CEO of Siemens' Regional Company in this country.

The current CEO of the Singapore Regional Company, Lothar Herrmann, has been named to head Siemens China. He will succeed Mei-Wei Cheng, who is retiring on expiry of his contract.

Siemens AG (Berlin and Munich) is a global powerhouse in electronics and electrical engineering, operating in the fields of industry, energy and healthcare as well as providing infrastructure solutions, primarily for cities and metropolitan areas. For over 165 years, Siemens has stood for technological excellence, innovation, quality, reliability and internationality. The company is the world's largest provider of environmental technologies. Around 40 percent of its total revenue stems from green products and solutions. In fiscal 2012, which ended on September 30, 2012, revenue from continuing operations totaled €78.5 billion and income from continuing operations €4.7 billion (incl. IAS 19R and reclassification of the solar business into continuing operations). At the end of September 2012,

Siemens AG

Wittelsbacherplatz 2, 80333 Munich, Germany
Corporate Communications and Government Affairs
Head: Stephan Heimbach

Siemens had around 370,000 employees worldwide on the basis of continuing operations. Further information is available on the Internet at: www.siemens.com.
