SUSPICION OF BANK TRANSFER FRAUD

The Siemens organisation would like to inform all relevant stakeholders that bank transfer fraud is one of the most common fraudulent activities experienced by organisations in South Africa.

Siemens (Pty) Limited has been informed of malicious attempts of this nature against Siemens South African and would like to kindly inform you that Siemens has not changed banking details.

We would like to request that any party who is suspicious of any type fraudulent notifications of this nature to please report this to the following Siemens contacts.

Minda Cronje on minda.cronje@siemens.com or Shaun Pete on shaun.pete@siemens.com.

Sincerely yours,

Siemens Proprietary Limited
