As a leader in the industry, Canoe is passionate about helping members fulfill their public service missions and are building stronger relationships with members and vendors to develop practical solutions together. By utilizing Canoe Cooperative Purchasing Contracts, you can ensure your purchases are:

### Compliant

- Trusted process satisfies bid requirements
- Government agency that works like you
- Five-time recipient of the "Achievement of Excellence in Procurement" award

### Competitive

- Buying power of 5,000 members
- Contracts offer "not to exceed" pricing, volume discounts

### Convenient

- Full catalog of options for a complete solution
- Easy, no-cost membership

With Siemens contracts covering a wide range of smart infrastructure, Canoe Cooperative Purchasing makes your purchasing simple and more affordable.

Canoe is a government agency that makes the buying process easier and more affordable by combining the purchasing power of many agencies into a single cooperative group. Contracts are competitively solicited to satisfy the public bidding process for its education, government, and nonprofit participating agencies.
