Access to the SCM STAR application - Regular Login

First-time login: SCM STAR Login Page

Dear Supplier,

Thank you for the registration support and the cooperation with Siemens. A user account has been created for you in our strategic procurement platform SCM STAR.

Your Username is:

- Open the website: <https://s2c.siemens.com> **A**
- Select "Request New Password"
- Enter your username and email address above
- Click on "Submit"
- You will receive an email from star.scm@siemens.com with a temporary link (only valid for a few hours)
- Click on the link and create your password.

Welcome to SCM STAR

Login via username and password

Please click on the link within the registration email (A) and you will be directed to the login page. If you are logging in for the first time or you have forgotten your password, please click on „Forgotten your username and/or password“ (B). In case you already know your login credentials, please proceed to [Page 7](#).

Access to the SCM STAR application - Regular Login

First-time login: Password request

The screenshot displays two side-by-side panels within a larger frame. The left panel is a login form with two input fields: 'Username' and 'Email', both marked with a red asterisk. Above the Username field is a button labeled 'Switch to Accessible Controls'. Below the Email field is a button labeled 'Recover Username'. At the bottom of the form are two buttons: a green 'Submit' button and a white 'Cancel' button with a red 'X' icon. The right panel is titled 'Request New Password' and features a yellow notification box with an information icon and the text: 'An email message containing a Link to define a new Password has been sent to you'. A 'Login page' button with a home icon is located in the top right corner of this panel. A large teal arrow points from the 'Submit' button in the left panel to the notification box in the right panel.

Please enter your username and email address and press the button "Submit". You will be directed to a new window informing you that an email message containing a link to define a new password has been sent to you.

First-time login: Definition of the password

Von: star.scm@siemens.com
An: [Redacted]
Cc: [Redacted]
Betreff: Request for new SCM STAR password

Dear SCM STAR user,

You have requested a new password to access SCM STAR at <https://s2c.siemens.com>.

The link below allows you to reset your password. The link can be used only once and is valid for a limited time (i.e. it will expire in a few hours).

Click the following link to define a new password: <https://s2c.siemens.com/esop/guest/login.do?qvu=6632181501623E499CC9>

NOTE: If you did not request this password reminder, please disregard this message. Nothing will happen to your account then and you will continue to use your login credentials as usual.

+ + + + +

As this is an automatically generated email notification, please do not reply to it. Instead please contact our User Help Desk as shown below for any questions or problems.

With kind regards
Siemens AG / Supply Chain Management

First-time login: Acceptance of the Terms of Use

1 Scope

1.1 SIEMENS Aktiengesellschaft (hereinafter "SIEMENS") operates through a third-party provider the internet-based SIEMENS SCM STAR Portal (hereinafter "the Portal"). With the Portal, SIEMENS provides a platform on which suppliers and ordering entities administer supplier and contract information and electronic procurement processes. These Terms of Use regulate use of the Portal by Suppliers.

1.2 By registering in the Portal, the Supplier agrees to be bound by these Terms of Use. In case of conflicts between separate agreements in writing between the Supplier and SIEMENS and these Terms of use, the separate agreements shall prevail.

1.3 SIEMENS reserves the right to modify the services offered via the Portal or to discontinue the offering of the services at any time.

2 Registration and password

2.1 Access to and use of the Portal is restricted to invited and registered Suppliers.

2.2 When registering the Supplier must provide full and accurate information. Should such information change over time, Supplier shall update the data directly in the Portal.

2.3 Upon completion of the registration process and successful activation of Supplier's account, the Supplier will receive confirmation of registration by e-mail.

I have read and agree to the Terms of Use of the SIEMENS SCM STAR Portal for SIEMENS Suppliers

I agree I do not agree

Next

After the registration you will be asked to accept the Terms of Use. Once you accept them, you will be forwarded to the SCM STAR Dashboard.

Access to the SCM STAR application - Regular Login

Normal login: SCM STAR Login Page

The image shows two side-by-side screenshots of the SCM STAR application interface. The left screenshot displays the 'SCM STrategy And Realization - SCM STAR' page with a navigation menu. The right screenshot shows the 'SCM STAR Siemens strategic procurement platform' login page with a login form and a help desk section. Callouts A, B, and C are placed on the screenshots to highlight specific elements: A points to the 'Regular login SCM STAR' button, B points to the 'log in' button, and C points to the 'Forgotten your username and/or password?' link. A green arrow points from the 'Regular login' button in the left screenshot to the login form in the right screenshot.

Our strategic procurement platform ↶

SCM STrategy And Realization - SCM STAR

We use our strategic procurement platform SCM STAR to administer our whole supplier and contract management, as well as our eSourcing Events (eRfX and eAuctions). You can find further information on SCM STAR in our Supplier Information Package and the introductory video. You can also download user guides and the terms of use at our Download Center.

Important note: Suppliers can access SCM STAR only by invitation from Siemens. If, as a Siemens supplier, you wish to use the application, please contact your respective procurement specialist.
