

The background image shows two men in a factory. They are wearing high-visibility yellow safety vests over blue long-sleeved shirts. The man on the right is older, with grey hair and glasses, and is pointing towards a piece of machinery in the background. The man on the left is younger with dark hair. They appear to be in a discussion. The factory environment is filled with metal structures, pipes, and various pieces of equipment under bright overhead lights.

SIEMENS

Ingenuity for life

IIoT machine service package

Improve your service for machines –
Worldwide
