SERUM INSTITUTE COVID VACCINE CLINICAL TRIALS

DCGI says all rules followed in trials

SOHINI DAS
Mumbai, 4 December

In the wake of reports of a serious adverse event in one 40-year-old Chennai volunteer in the Serum Institute-AstraZeneca vaccine trial, the Indian drug regulator on Friday reassured that all processes and protocols are being followed for clinical trials in the country.

Speaking to the media in a webinar on Friday, V G Somani, Drugs Controller General of India (DCGI), said India is one of the few countries that has stringent rules related to compensation in case of adverse event during a clinical trial that has a causal link to the investigational drug or vaccine candidate. In fact, Somani said compensation in excess of ₹12 crore had been given to participants in clinical trials over the years.

Sheela Godbole, head, division of epidemiology at the Indian Council of Medical Research (ICMR), also said India has the most stringent guidelines on clinical trials and compensation. The regulator said in case compensation isn't paid after DCGI direction it can restrict or debar the sponsor from conducting future trials. Central Drugs Standard Control Organisation (CDSCO) sources claimed that a detailed investigation into the adverse event in Serum's trial did not find any causal link between the illness and the investigational candidate. Hence, the question of compensation has been ruled out.

Explaining the checks in place for ensuring a fair and objective trial, the regulator said ethics committees at sites and investigators play a key role in the process. The registration of institutional ethics committee with the CDSCO is mandatory, Somani said.

The ethics committee has seven members, including a chairperson who has to be from outside the institution where the trial is being conducted. Members need to be trained in rules and good clinical practices to safeguard rights, safety and well-being of subjects. "If not trained, the

Zydus Cadila gets DCGI nod for phase-3 clinical trials with biological therapy

Cadila Healthcare (Zydus Cadila) has bagged the Drugs Controller General of India (DCGI) to start the phase-3 clinical trial with its biological therapy, Pegylated Interferon alpha-2b, 'PegiHepTM'.

Last month, Zydus Cadila had announced "successful" completion of phase-2 trial of the biological therapy. Cadila had stated that the open-label, randomised study was conducted on 40 adult patients with moderate Covid-19

symptoms. Of these, 95 per cent subjects who received a single dose of PegiHepTM along with standard of care (SOC) became virus free as assessed by RT-PCR on day 14, compared to only 68 per cent those who only received SOC becoming RT-PCR negative. Dr. Sharvil Patel, managing director, said: "Our efforts are to look at possible treatment options which are safe, can be administered easily and also reduce the disease burden." VINAY UMARJI

ethics committee shall be disqualified," said Somani, adding that in the past 10-15 ethics committee registrations have been cancelled. The ethics committee is also expected to report all serious adverse events to the CDSCO within 30-days. Somani also said it is the investigator's responsibility to inform subjects about the trial through a consent process.

A Chennai participant had reported ill during participa-

tion in Serum's trial on 1,600 subjects. He sent a legal notice to the sponsor, Serum, seeking ₹5 crore in damages. Terming his allegations "malicious and misconceived", Somani said it would seek damages worth ₹100 crore from the subject. While initial investigations did not find the incident to be linked, the DCGI conducted an in-depth investigation by an independent expert committee.

ONGC Videsh makes 4th find in Colombian block

AMRITHA PILLAY
Mumbai, 4 December

Oil Natural Gas Corporation (ONGC) on Friday announced its overseas subsidiary struck commercial oil in one of its Colombian blocks. This is the fourth commercial find in the block by ONGC Videsh.

In its statement, ONGC said ONGC Videsh (OVL) has made a significant strike of oil in its onshore block CPO-5, Colombia, in Llanos Basin.

The firm said: "Currently, the well (Indico-2) is flowing under short-term testing with multi-bean study for further evaluation."

OVL is the operator in the block with a 70 per cent stake, along with its partner Geopark, an independent oil and gas company focused in Latin America.

The company added light oil was discovered in the first well "Indico-1X" in the Indico

field in December 2018.

"(So far) it has demonstrated a sustained flow at 5,200 barrels of oil per day, with a cumulative production of over 3 million barrels of oil," the statement said.

ONGC said the company plans to drill more wells to explore the other plays in the block shortly. OVL is also undertaking additional 3D seismic data to map more drill-

able prospects in the other sectors of the block. CPO-5 block is a large on-land block covering an area of 1,992 km².

Overall, ONGC Videsh holds a participating interest in seven exploratory blocks in the Colombian oil and gas sector. Besides, it has an interest in two other producing blocks through a 50 per cent stake in JV company Mansarovar Energy Colombia.

Mallya's ₹14-cr France property seized: ED

PRESS TRUST OF INDIA
New Delhi, 4 December

Businessman Vijay Mallya's property worth ₹14 crore located in France has been seized under the anti-money laundering law, the Enforcement Directorate said on Friday.

The agency said the action was undertaken by French authorities "on the request of the Enforcement Directorate" and the property is located at 32 Avenue FOCH in France.

The value of the seized asset is €1.6 million that is worth about ₹14 crore, the central probe agency said in a statement.

Investigations conducted under the Prevention of Money Laundering Act revealed that a large amount was remitted abroad from the bank account of Kingfisher Airlines for crea-

tion of the asset, it said.

Mallya, an accused in a bank loan default case of over ₹9,000 crore involving his defunct Kingfisher Airlines, is in the UK since March 2016. He is on bail on an extradition warrant executed three years ago by Scotland Yard on April 18, 2017.

The Centre had on October 5 told the apex court that Mallya cannot be extradited to India until a separate secret legal process in the UK, which is judicial and confidential in nature, is resolved.

DBS Bank gives ₹2,500 cr to India unit for LVB merger

PRESS TRUST OF INDIA
New Delhi, 4 December

DBS Bank India on Friday said it had received capital infusion of ₹2,500 crore from DBS Bank, Singapore, to support its amalgamation with Lakshmi Vilas Bank (LVB).

The scheme of amalgamation came into effect on November 27.

DBS Bank India said the bank was well-capitalised, and its capital adequacy ratios (CAR) remains above regulatory requirements after the amalgamation.

"The amalgamation provides stability and better pro-

spects to LVB's depositors, customers and employees following a period of uncertainty," the bank said in a release on Friday.

Once the integration is complete, customers will be able to access a wider range of products and services, including access to the full suite of DBS digital banking services which have won multiple global accolades, DBS Bank India added.

Earlier last month, the Reserve Bank of India had placed crisis-ridden LVB under a moratorium and announced its merger with DBS Bank India.

LVB was looking to raise capital for a long time and had also entered into an agreement

with non-banking lender Clix Group for an amalgamation in June this year, but the deal could not get through.

Before this, LVB had tried to forge a merger with realty player Indiabulls Housing Finance, which was rejected by the banking regulator.

LVB is the second private sector bank after Yes Bank which has run into rough weather during this year.

In March, capital-starved Yes Bank was placed under a moratorium. The government rescued YES Bank by asking state-run State Bank of India to infuse ₹7,250 crore and take 45 per cent stake in the bank.

CBI looks into ₹1,800-cr 'fraud' case in SBI

The CBI on Friday carried out searches at three locations in New Delhi after booking Jay Polychem in a ₹1,800-crore alleged bank fraud in the State Bank of India, officials said.

The agency has received a complaint from the SBI against the Lajpat Nagar-based company and its promoters and directors for causing a loss of ₹1,800.72 crore to a consortium led by

the bank, they said. A forensic audit by EY showed alleged diversion and siphoning off of bank funds, fictitious transactions, forgery etc resulting in the FIR, they said.

"Searches are being conducted at three locations in Delhi at the office and residential premises of borrower company and other accused," CBI spokesperson R K Gaur said. PTI

Liberty to begin due diligence of ThyssenKrupp's Europe assets

Liberty Steel Group on Friday said it would soon begin a detailed due diligence of the steel assets of ThyssenKrupp in Europe. In October, Liberty Steel had made a non-binding indicative offer to acquire ThyssenKrupp's assets in Europe. Liberty Steel had said it is open to intensifying the dialogue with ThyssenKrupp and would like to engage in further due diligence to present a potential binding offer if given the opportunity to proceed in the transaction process. NOTICE

[For transfer of shares to the Investor Education and Protection Fund (IEPF)]

This Notice is published pursuant to the provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") as amended by the Ministry of Corporate Affairs.

Pursuant to Section 124(6) of the Companies Act, 2013 read with Rule 6 of the IEPF Rules, all shares in respect of which dividends have remained unpaid or unclaimed for a period of seven consecutive years as provided under Section 124 (5) of Companies Act 2013, are required to be transferred by the Company to the demat account of IEPF authority.

A list of such shareholders along with their folio number or DP ID - Client ID, who have not claimed their dividends for the last seven consecutive years i.e. Financial Year 2012 - 13 to 2018 - 19 and whose shares are therefore liable for transfer to the demat account of IEPF Authority, is displayed on the website of the Company at <http://www.siemens.co.in/en/index/investor.htm>. In this regard, the Company has sent individual communication to the concerned shareholders at their last known address available with the Company.

The shareholders holding shares in physical form and whose shares are liable to be transferred to demat account of IEPF Authority may note that the Company would be issuing duplicate share certificate(s) in lieu of the original share certificate(s) held by the shareholders for the purpose of transfer of shares to demat account of IEPF Authority as per the IEPF Rules. Thereafter the original share certificates shall automatically stand cancelled and deemed non negotiable or not tradable. In case the shares are held in dematerialized mode, by virtue of requirement of the IEPF Rules, the Company would transfer these shares directly to the demat account of IEPF authority with the help of the depositories.

Notice is hereby given that in the absence of receipt of a valid request form along with necessary documents from the shareholder on or before 2nd March, 2021, the Company would be transferring the said shares to the demat account of IEPF Authority without further notice.

Please note that no claim shall lie against the Company in respect of unclaimed dividend amounts and shares transferred to IEPF pursuant to the IEPF Rules. The concerned shareholders may note that, upon such transfer, they can thereafter claim their said shares along with dividend(s) from IEPF by making an application online, for which details are available at www.iepf.gov.in. Please note that all subsequent corporate benefits accruing on such shareholding shall also be credited in favour of the demat account of IEPF Authority.
