

Certificate of Conformity

Conformity Registration No. 01 150 110267

TÜV Rheinland Cert GmbH certifies:

Conformity Holder:

SIEMENS

Siemens AG
Division Energy Management
Low Voltage & Products
Siemensstr. 10
93055 Regensburg

Basis:

on the basis of a review, report No. 110267 of 2012-07-26,
that the following service:

Software and Hardware:

powermanager power monitoring software
7KT/KM PAC measuring devices
3WL air circuit breaker
3VA and 3VL molded case circuit breaker

according to service description Version 1 of 11/2009 – has
the following characteristics:

Scope:

The above mentioned software and hardware components
are suitable for supporting the user regarding the imple-
mentation, documentation and maintenance of an Energy
Management System in accordance with the requirements
of **ISO 50001:2011** under the condition that they are used
as intended.

This certificate of conformity is related specifically to the
