

COOPERATIVE PURCHASING CONTRACTS

Sourcewell Cooperative Purchasing for City and State Government, Education, and Non-Profits

Siemens is proud to partner with Sourcewell. As a leader among Group Purchasing Organizations or GPOs, Sourcewell is passionate about helping members fulfill their public service missions and building stronger relationships with members and vendors to develop practical solutions together. By utilizing Sourcewell pre-completed contracts, you can ensure your purchases are:

Compliant

- Legal, trusted process satisfies competitive bid requirements
- Government agency that works like you
- Five-time recipient of the "Achievement of Excellence in Procurement" award

Competitive

- Buying power of over 95,000 members
- Contracts offer "not to exceed" pricing, volume discounts

Convenient

- Full catalog of contracts for a complete solution
- Zero-cost membership

With Siemens contracts covering a wide range of smart infrastructure, including essential, state-of-the-art building systems and services, Sourcewell makes your purchasing easier and more affordable. Leveraging Sourcewell contracts allows competitive pricing without going through the RFP process. For more information on the benefits of Sourcewell contracts, please visit usa.siemens.com/sourcewell.

Sourcewell is a government agency and Group Purchasing Organization or GPO that makes the buying process easier and more affordable by combining the purchasing power of many agencies into a single cooperative group. Contracts are competitively solicited and awarded to satisfy the public bidding process for its education, government, and non-profit members.
