### Limited Review Report

Review Report to The Board of Directors Siemens Limited

- 1. We have reviewed the accompanying statement of unaudited financial results of Siemens Limited ('the Company') for the quarter ended March 31, 2012 (the "Statement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been reviewed by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting", notified pursuant to the Companies (Accounting Standards) Rules, 2006, (as amended) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Siemens Ltd. reports 24% rise in Sales and 11% rise in Profit after Tax for Q2 2012

Amid challenging economic conditions, Siemens Ltd. declared its results for the second quarter of Financial Year 2012. The Company registered Sales of Rs 3,760.1 crores, a rise of 24% over the same period in FY 2011. Profit after Tax (PAT) was up by 11% to Rs 304 crores compared to the PAT of Rs 274.3 crores in Q2 2011.

Dr. Armin Bruck, Managing Director, Siemens Ltd., said, "The confidence is still low in the markets we operate in. New orders have been deferred due to a combination of factors: coal-linkages, land and environmental clearances, higher interest rate, tighter liquidity and lower investments in the infrastructure sector. Margins have been affected due to higher costs and ongoing price pressures. Our efforts continue to focus on our people, investing in training and development, and being prepared to take advantage of opportunities in the near future."

Among the highlights of the first six months of Financial Year 2012, the Industry Sector streamlined and integrated its service offerings and strengthened its sales presence. It won major orders in metals technologies, drive systems for steel sinter plants and for ship-to-shore cranes.

The Energy Sector commissioned India's first 765 kV fixed series compensation (a solution that helps in improving power transmission and enable future expansion capabilities) and announced its entry into EPC solutions for solar PV plants. Among the significant orders won by the Energy Sector are for single-shaft vertically-split gas turbine-driven turbo compressors and 250 MVA generator transformers.

The Healthcare Sector continued its focus on expanding new markets in smaller cities and the replacement segment. The major orders in the Healthcare Sector were for molecular magnetic resonance imaging and computed tomography equipment.

The Infrastructure & Cities Sector launched two factories in Goa for smart grid and medium voltage applications. Among others, the Sector won a strategically important smart grid solution for modernizing the electricity distribution management system for eight cities in Maharashtra under the Restructured Accelerated Power Development Reforms Program (R-APDRP) of Government of India.
