

## SIEMENS FINANCIAL SERVICES

# Facts & Figures 2024

CEO Veronika Bienert  
Siemens Financial Services

"By working closely with Siemens businesses and our external partners across our key industries, our passionate team is able to accelerate innovation and competitiveness for our customers, providing tailored financing solutions that unlock sustainable growth."

### About us

At Siemens Financial Services (SFS), we empower customers around the globe to unlock the next era of innovation and sustainable growth.

Based on our unique combination of technological expertise and financial know-how we provide a diverse set of financing solutions enabling investments in future-proof technologies in key areas like automation, digitalization, and sustainability.

Already today, SFS is one of the leading players in financing greenfield renewable projects and contributes significantly to decarbonization.

Our experienced and diverse team allows us to create customized financing solutions, paving the way for industrial productivity, smart infrastructure and intelligent mobility, facilitating the energy transition and enabling high-quality healthcare.
