**ANSWERS**  
SMARTER LIVING ISSUE CROSSWORD - Across 5 Internet, 6 Smart, 10 Infrastructure Down 1 Machine, 2 Sensor, 3 Automated, 4 Berlin, 7 Westminster, 8 Lamppost 9 Junction.  
SMART INFRASTRUCTURE ISSUE RIDDLES - 1 Smart Hospital, 2 Artificial Intelligence, 3 Electric Vehicle, 4 Internet of Things 5 Automated windows.

## Smart Infrastructure Riddles

You'll find the answers to each of these riddles across this issue.

- 1 I think, I see, you're healed inside me.
- 2 There's nothing fake about my thinking; my mind's eye is an LED blinking.
- 3 My power was from stables, then deep underground, I now drink electrons to move you around.
- 4 My parts are many and scattered about; toasters and smartphones, we connect in the cloud.
- 5 Let me be transparent and please don't be sore, now that I'm smarter I don't need you anymore.

## How would you change the world with Smart technology?

Create your own advert for your own imaginary Smart Product. It could be something for your home, something wearable or a piece of infrastructure for your local town or city. Explain the benefits of your idea, and include a sketch to illustrate how it will work.
