

## Data Privacy Notice

Protecting the security and privacy of your personal data is important to Siemens. Therefore, the Siemens company mentioned in the imprint section of this App (“**Siemens**”) operates Siemens Meetings and Conferences (“**App**”) in compliance with applicable laws on data protection and data security.

### Categories of personal data processed and purpose of the processing

When visiting and using the App, Siemens processes the following personal data about you:

- Information that you actively enter when registering for the app or creating a user account (such as your email-address, your Event Code and Individual Registrations Code).
- Information provided via contact and other forms offered within the App.
- When using the “Taking and saving notes” functionally the App stores the notes taken by you for your further access and use.
- The function “Creating and managing your personalized schedule” allows you to organize and store an event-schedule specifically tailored to your needs.

We process your personal data for the following purposes:

- To offer the App’s services and functions and to administer your use of the App;
- To answer and fulfill your specific requests; and
- as reasonably necessary to enforce our terms of use, to establish or preserve a legal claim or defense, to prevent fraud or other illegal activities, including attacks on Siemens’ information technology systems.

We only process your personal data if we are permitted by applicable law to do so. In particular, if you are based in the European Economic Area, the legal basis for Siemens processing data about you is that such processing is necessary for the purposes of:

- Siemens exercising its rights and performing its obligations in connection with any contract we make with you (Article 6 (1) (b) General Data Protection Regulation),
- (compliance with Siemens’ legal obligations (Article 6 (1) (c) General Data Protection Regulation), and/or
- legitimate interests pursued by Siemens (Article 6 (1) (f) General Data Protection Regulation).

Generally, the legitimate interest pursued by Siemens in relation to our use of your personal data is the efficient operation, management and support of the App, but we may disclose other legitimate interests for specific uses.

In some cases, we may ask if you consent to the relevant use of your personal data. In such cases, the legal basis for Siemens processing that personal data is that you have consented (Article 6 (1) (a) General Data Protection Regulation).

### Feedback and polls

The App contains functions where you can provide us with your feedback and participate in live polls while attending your event. Unless indicated explicitly otherwise before you provide any feedback, Siemens will have no access to information identifying you, your input will be provided to Siemens on aggregated basis only.

## Push notifications

The activation of push notification services allows Siemens to provide you with event-specific information. In the course of using this function and after activation of the push-notification permission, a connection with the push notification service of your operating system provider is established and your device receives notifications over this connection. For this purpose information on your device identifier is transferred to your operating system provider.

## App permissions

The use of certain functions of the App may require you to provide certain App permissions. App permissions allow the App to access information stored on your device.

If you make use of an IOS device, the App may ask for the permissions listed below. The data collected via such permissions and the purposes of the data collection are the following:

- **Contacts/Calendar Access:** This permission allows access to your contacts/calendar to export items. This function shall serve to align your event schedule with the calendar on your device.
- **Photo Access:** At some events you may be able to post event related photos. In this case you may allow access to your photo library to post photos to the App.
- **Camera Access:** At some events you may be able to post event related photos. In this case the App accesses the device camera to take a picture to post to the App.
- **Locations Access:** At some events you may be offered to receive and communicate information via Bluetooth. In this case the App may use iBeacons to give you location-specific alerts.

If you make use of an Android device, the App permissions used by this App, data collected via permissions and the purposes of the data collection are the following:

- **Identity:** The permission Identity is used to find the device identifier for push notifications.
- **Contacts/Calendar:** This permission allows access to your Contacts/calendar to export items. This function shall serve to align your event schedule with the calendar on your device.
- **Photos/Media/Files:** At some events you may be able to post event related photos. If this is the case, the App may access the App's databases, files, or photos in the device's storage purely related to usage of the App when posting event photos.
- **Camera:** At some events you may be able to post event related photos. In this case the App accesses the device camera to take a picture to post to the App. It also saves the photo to the device's databases.
- **Wi-Fi connection information:** This permission allows the App to access Wi-Fi related information on your device and is for features of the App that require network connection, such as account authentication, profile editing, App synchronization and the like.
- **Bluetooth connection information:** At some events you may be offered to receive and communicate information via Bluetooth. In this case, the App can use Bluetooth on your device, which includes broadcasting to or getting information from nearby other Bluetooth devices.

You may manage the use of App permissions in the section "settings" of your operating system. Please note that the use of certain functions of the App may no longer be possible if you deactivate the respective App permission.

## Links to other websites

This Privacy Policy applies only to this App, and not to websites owned by third parties. We may provide links to other websites (such as Google Maps or YouTube) which we believe may be of interest to you. Any link to an external website is clearly marked as such. Siemens is not responsible for the privacy practices or the content of other websites outside the Siemens group of companies.

## Recipients of your personal data

In connection with the operation of the App and the services provided by way of the App, Siemens commissions service providers such as hosting or IT maintenance service providers. These service providers only act upon instructions by Siemens and are contractually bound to act in compliance with applicable data protection law.

If you are located within European Economic Area, please be aware that sometimes the recipients to whom Siemens transfers or discloses your personal data are located in countries in which applicable laws do not offer the same level of data protection as the laws of your home country.

In such cases and if required by applicable law, Siemens takes measures to implement appropriate and suitable safeguards for the protection of your personal data. In particular:

- We share your personal data with Siemens companies in such countries only if they have implemented the Siemens Binding Corporate Rules („BCR“) for the protection of personal data. Further information about the Siemens BCR can be found [here](#).
- We transfer personal data to external recipients in third countries only if the recipient has (i) entered into [EU Standard Contractual Clauses](#) with Siemens, (ii) implemented [Binding Corporate Rules](#) in its organization or (iii) – in case of US recipients – the recipient is certified under the [Privacy Shield](#). You may request further information about the safeguards implemented in relation to specific transfers by contacting [dataprotection@siemens.com](mailto:dataprotection@siemens.com).

## Retention periods

Unless indicated otherwise at the time of the collection of your personal data (e.g. within a form completed by you), we erase your personal data if the retention of that personal data is no longer necessary (i) for the purposes for which they were collected or otherwise processed, or (ii) to comply with legal obligations .

## Your rights

The data protection law applicable to Siemens when processing your personal data may entitle you to specific rights in relation to your personal data. You can find out more about those rights by contacting [dataprotection@siemens.com](mailto:dataprotection@siemens.com).

In particular and subject to the respective statutory requirements, if you are located in the European Economic Area, you are entitled to:

- Obtain from Siemens confirmation as to whether or not personal data concerning you are being processed, and where that is the case, access to the personal data;
- Obtain from Siemens the rectification of inaccurate personal data concerning you;
- Obtain from Siemens the erasure of your personal data;
- Obtain from Siemens restriction of processing regarding your personal data;
- Data portability concerning personal data, which you actively provided; and
- Object, on grounds relating to your particular situation, to processing of personal data concerning you.

## Data Privacy Contact

The Siemens Data Privacy Organization provides support with any data privacy related questions, comments, concerns or complaints or in case you wish to exercise any of your data privacy related rights. The Siemens Data Privacy Organization may be contacted at: [dataprotection@siemens.com](mailto:dataprotection@siemens.com).

The Siemens Data Privacy Organization will always use best efforts to address and settle any requests or complaints you bring to its attention. Besides contacting the Siemens Data Privacy Organization, you always have the right to approach the competent data protection authority with your request or complaint.

## **Do Not Track**

At this time our Internet sites do not recognize or respond to “Do Not Track” browser signals.

## **Children**

This Application is not directed to children under the age of thirteen. We will not knowingly collect personal data via this Application from children under the age of thirteen without insisting that they seek prior parental consent if required by applicable law. We will only use or disclose personal data about a child to the extent permitted by law, to seek parental consent, pursuant to local law and regulations or to protect a child.

## **Security**

To protect your personal data against accidental or unlawful destruction, loss, use, or alteration and against unauthorized disclosure or access, Siemens uses reasonable physical, technical and organizational security measures. Unfortunately, there is no complete assurance of security in transit or storage to any information that you transmit, no complete assurance that information will not be accessed, disclosed, altered, or destroyed by a breach of any of our physical, technical, or organizational measures.

## **California Privacy Rights**

California’s “Shine The Light” law permits those of our customers who are California residents to annually request a list of their personal information (if any) that we disclosed to third parties for direct marketing purposes in the preceding calendar year, and the names and addresses of those third parties. At this time, we currently do not share any personal information with third parties for their direct marketing purposes.

We may update this Privacy Notice from time to time. The date of the latest update is indicated at the top of this Privacy Notice.
